Abide Above

A Guide to Spiritual Growth

by Miles J. Stanford

Preface

Spiritual growth really begins at the top, from our position, our source in the Lord Jesus Christ on high. Hence this guide to growth sets forth the highest—the proper perspective from which to “keep looking down.”

“Now the God of peace, that brought again from the dead our Lord Jesus, that great Shepherd of the sheep, through the blood of the everlasting covenant, make you perfect (full grown) in every good work to do His will, working in you that which is well-pleasing in His sight, through Jesus Christ, to whom be glory forever and ever. Amen” (Heb. 13:20, 21).

前言

属灵成长实在从上面开始，就是高高在上之主耶稣基督里我们的地位和源头那里。因此这成长的指引所呈现的是最高和合适的视野，叫我们从此处下望。

「但愿赐平安的神，就是那凭永约之血，使群羊的大牧人我主耶稣从死里复活的神，在各样善事上成全你们，叫你们遵行祂的旨意；又藉着耶稣基督在你们心里行祂所喜悦的事。愿荣耀归给祂，直到永永远远。阿们！」（来 13:20-21）

第一章 往下走的往上之路

属灵进程上当学习的两个基本真理，是己的衰微和我们在基督里的

Christ.

It is the utter faithfulness of the Father that so deeply impresses the awakened believer, the one who hungers to “grow in grace, and in the knowledge of our Lord and Savior, Jesus Christ” (2 Peter 3:18). “I will sing of the mercies of the Lord forever; with my mouth will I make known thy faithfulness to all generations” (Ps. 89:1). Through all my failure, my Father is working for my victory.

And at first it seems quite the opposite of faithfulness when the sovereign Father sets the hungry one's faith and feet upon the path of His purpose. That is because there is the negative side of death as well as the positive side of life in the working out of His purpose to conform us to the image of His Son (Rom. 8:29). He has decreed that “all things [both negative and positive] work together for good to them that love God, to them who are the called according to his purpose” (Rom. 8:28).

The negative comes first, when the Father begins to transmit that purpose to the life of the Christian

兴旺。

天父的全然信实深深感动渴求「在我们主救主耶稣基督的恩典和知识上有长进」(彼后 3:18)的人,就是那些觉醒的信徒。「我要歌唱耶和华的慈爱,直到永远;我要用口将祢的信实传与万代。」(诗 89:1)天父藉我一切的失败来作成我的胜利。

当至高的天父开初将那渴求之人的信和脚步放在祂旨意的路径上时,这似乎与祂的信实相违背。这是因为在作成祂将我们模成祂儿子的模样上,同时有死亡的反面和生命的正面。(罗 8:29)。祂曾颁布说:「(正反两面的)万事都互相效力,叫爱神的人得益处,就是按祂旨意被召的人。」(罗 8:28)

当天父在基督徒生命的属灵成长上开始传递这旨意时,反面的先

in terms of spiritual growth. This is when He may not seem to be very faithful. Nevertheless, “faithful are the wounds of a friend,” because “a friend loveth at all times” (Prov. 27:6; 17:17).

Failure Categorized

With some, the downward trend begins early in the Christian life. After a time of faithfulness in Bible study and memorization, church activity, prayer and witnessing, there comes a decline. Guilt-fostered attempts are made to regain the ground lost, but without avail. Heartbreaking as it is, the badly shaken Christian is being prepared early to realize the power of the self-life.

Failure Recognized

Spiritual need is the prerequisite for growth in Christ. All of these circumstances of failure have been controlled by our ever-faithful Father, the God of circumstances. He knows what needs we need to keep US needy! It is true that the downward path (the negative side) has been the

来，那时也许看来祂不真实。但是，「朋友加的伤痕出于忠诚。」(箴 27:6) 因为「朋友乃时常亲爱。」(箴 17:17)

失败的种类

有些基督徒生命的初期往下坡走。经过了一段时间的忠诚研读圣经，背诵圣经，参与教会活动，祷告和作见证后，退后便来到了。罪促成的意图便收复失地，一切似乎都是徒然。这叫人心碎，那大大动摇的基督徒正被装备来早早明白己之生命的能力。

失败的认定

属灵上的需要是基督里成长的先决条件。所有这些失败的处境一直是由处境之神我们永远信实的天父所掌管。祂知道我们需要甚么来保持我们常在需要中！那(反面那边)失败之路一直是己所作成和仇敌的伎俩

consequence both of the workings of self and the tactics of the enemy. Nevertheless, it is also true that the Father has seen to it that it happened, in order that the hunger caused through failure might be satisfied in the Lord Jesus Christ.

Countless Christians today are in the midst of utter failure—that they know. What they do not as yet know is that at the same time they are in the midst of the Father's purpose for them. During the initial downward process they have been blinded to the work of His faithful hands, in order that they might come to realize something of the extent of their weakness and the overpowering strength of the self-life. Down! and yet—"nor depth ... shall be able to separate us from the love of God, which is in Christ Jesus, our Lord" (Rom. 8:39).

Ever paradoxically, our Father uses our negatives to bring forth His positives. Our sin meant death for His Son, that we might have life (John 3:16). He was made to be our sin on the Cross, that we might be made the righteousness of God in Him (2 Cor. 5:21). "What shall we

这说法是对的。但是，天父一直看着所发生的事，为的叫饥饿的心灵藉着失败来得以生发在主耶稣基督里的满足这说法也是对的。

无数的基督徒今时落在彻底的失败中，这是他们自知的。他们所未曾知道的就是他们同时是身在天父为他们所定的旨意中。在开初败落之时，他们看不见天父信实之手的工作，就是叫他们得以明白到他们的软弱和一己生命能力的不可抵抗。低！然而「(处于)低处.....都不能叫我们与神的爱隔绝；这爱是在我们的主基督耶稣里的。」(罗 8:39)

我们的天父总是矛盾地用上我们的反面来引进祂的正面。我们的罪带来祂儿子的死，叫我们从而得生(约 3:16)。祂为我们的罪被挂在十字架上，叫在祂里头的我们得以成为神的义(林后

say then? Shall we continue in sin, that grace may abound? God forbid!" (Rom. 6:1, 2). God's "all things" working together for our good are in His hands, not ours! He is our Sovereign, we are His subjects. We cannot escape from His eternal love—"the Lord corrects and disciplines every one whom He loves" (Heb. 12:6, Amp.). Many children of God today have all but given up. Self and the world have been steadily taking over in their once bright Christian lives and service. Most have simply quit trying to live the Christian life; many have become sick and tired of church for various reasons, and no longer attend regularly if at all.

Failure Utilized

These are some of the very conditions that the Father uses to prepare us to see and enter into that which He has already given in the Lord Jesus. There must be this drastic revelation of self, by the most effective means suited to the individual—all in the realm of personal failure.

The agonizing downward

5:21)。「这样，怎么说呢？我们可以仍在罪中，叫恩典显多么？断乎不可！」(罗 6:1-2)叫我们得益处而互相效力的「万事」不在我们手中，乃在祂手中！祂是我们的至高者，我们是祂的子民。我们不能脱离祂永恒的爱，「因为主所爱的，祂必管教。」(来 12:6)今天很多神的儿女已全然放弃。己和世界已持续地取缔他们从前光明的基督徒生命和事奉。大部分在试图活出基督徒的生命上已然停止。

失败的用上

这些正是其中一些天父用来准备我们得见和进入祂已在主耶稣里赐下的处境。必须以切合个别差异而对己最有效之手段来作这惨痛的启示，全都属个人失败的范围之列。

令人苦恼的退后过

process brings us from simply believing on Him at Calvary, to living in Him in heaven—from substitution, to personal identification. As lost sinners we were prepared by the Spirit to see and accept the Lord Jesus as our Substitute; as defeated believers we have to be prepared by the Spirit to see and abide in the Lord Jesus as our Life. There is no alternative, and He has been faithfully and quietly carrying it out all through the fruitless and failure-ridden years. “Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you” (1 Peter 4:12).

When the Father has us prepared by means of Romans Seven, He opens the liberating truths of Romans Eight—but not until! It is first, “Oh, wretched man that I am! Who shall deliver me from the body of this death?” and then, “I thank God through Jesus Christ, our Lord” (Rom. 7:24, 25). Then, “Come, and let us return unto the Lord; for he hath torn, and he will heal us; for he hath smitten,

程帶我们从单单相信在加略山的祂转而为着天上的祂而活 ;从代替来到亲身的联合。作为丧失之罪人的我们从前藉圣灵给我们看见和接受主耶稣乃我们的代赎 ;作为失败信徒的我们必须被圣灵装备 ,得见主耶稣乃我们的生命 ,且住在其中。别无选择 ,祂一直信实地和静静地在无结果和失败经年之人中间这样行。 「亲爱的弟兄啊 ,有火炼的试验临到你们 ,不要以为奇怪(似乎是遭遇非常的事)。 」(彼前 4:12)

当天父藉罗 7 章装备我们时 ,祂开启了罗 8 章的释放真理。要达至这个 ,先要有「我真是苦啊 !谁能救我脱离这取死的身體呢 ? 」(罗 7:24) 继而是「感谢神 ,靠着我们的主耶稣基督就能脱离了。(罗 7:25)之后是「来吧 ,我们归向耶和华 !祂撕裂我们 ,也必医治 ;祂打伤我们 ,也必纏裹。」

and he will bind us up” (Hosea 6:1).
“Faithful is he that calleth you, who
also will do it” (I Thess. 5:24).

Chapter 2 Think Position!

Our position in the Lord Jesus Christ is made up of two parts: death and life. Identification with Him in His death issues in identification with Him in His life. Spiritual growth is the result of the old man abiding in the death of the Cross, and the new man abiding in the risen life of Christ. The way of the Cross doesn't end at the Cross!

The principles on which our Father carries out His purpose in us are eternal and unchanging. He is “the Father of lights, with whom is no variableness, neither shadow of turning” (James 1:17). He begins in the heights, goes down to the depths, and returns to the heights.

Let us consider this principle as illustrated in the work of the Lord Jesus. He came down to earth from His heavenly glory (John 17:4); He was made to be our sin on the Cross, and willingly died as our Redeemer (Rom. 5:8); He took us down into His death unto sin as our

(何 6:1) 那召你们的本是信实的，祂必成就这事。」(帖前 5:24)

第二章 想想地位

我们在主耶稣基督里的地位由两部分组成：死亡和生命。与祂在祂死上联合导致与祂在祂生命上的联合。属灵的成长是旧人持续在十字架上死和新人在基督的复活生命上活的结果。十字架的路不是在十字架上结束的！

我们天父在我们里头执行祂旨意的原则是永恒和不变的。祂是「众光之父那里降下来的；在祂并没有改变，也没有转动的影儿。」(雅 1:17) 祂始于高天之上，降卑至低，重回高天。

让我们以主耶稣的工作来说明这原则。祂离弃天上的荣耀来到世上 (约 17:4)；为我们的罪来到十字架上；甘心作为代赎者而死 (罗 5:8)；祂将我们领入罪上死来作为我们的释放者 (罗

Deliverer (Rom. 6:4); He then brought us as “new creation” in Himself to His eternal position in heaven (2 Cor. 5:17; Eph. 2:4-6). Life, death, harvest!

Position Above

Our Father begins by placing each believer *above*—in Christ—the very moment he repents and receives Him as his personal Savior. “Ye are risen with him through the faith of the operation of God, who hath raised him from the dead. And you, being dead in your sins ... hath he quickened [recreated] together with him, having forgiven you all trespasses” (Col. 2:12, 13). Yes, “your life is hid with Christ in God” (Col. 3:3). This is exactly where the Father has positioned every believer, whether or not he is aware of the wondrous fact, whether in service, or out of service; whether victorious, or defeated.

Position Unknown

Although the Christian has been positioned above, he is unaware of this fact when he comes

6:4); 之后祂领在祂里头作为「新造」的我们进入祂天上的永恒地位(林后 5:17 ;弗 2:4-6)。生命——死亡——收获！

天上的地位

在每个信徒悔改和接受基督作为祂个人救主那一刻，天父便开始将在基督里的他放在天上。「在此与祂**一同**复活，都因信那叫祂从死里复活神的功用.....神赦免了你们一切的过犯，便叫你们与基督**一同**活过来。」(西 2:12-13) 是的，「你们的生命与基督**一同**藏在神里面。」(西 3:3) 这正是天父放置每个信徒的位置，无论他察觉这奇妙事实与否，无论有事奉与否，无论是得胜还是失败。

未知的地位

当基督徒来到十字架下的救主那里时，虽然他已被安放天上，他仍未

to the Savior at the foot of the Cross. What he sees is that the penalty of his sins has been paid, and that he is thereby assured of his place in Glory. Therefore, most new converts commence to live and work *for* Him from the motive of gratitude for their salvation. The usual exhortation they are given is, "Now get busy and serve the Lord." This they seek to do on the basis of the birth truths. From this inadequate ground the majority of young Christians go down in defeat.

Others, more thoroughly taught, move forward in the knowledge of their reconciliation to God, their acceptance in the Lord Jesus, as well as their completeness and eternal security in Him. Even with this firm foundation upon which to stand, they have yet to learn that more is needed. The resultant failure in trying to live by these basic truths is the Father's preparation for the Christian to realize his need for deliverance.

The Holy Spirit then begins to reveal the truths that will deliver him from the reign of sin (Rom. 5:21). The Lord Jesus has promised

察觉这事实。他所见的是他罪的刑罚已被赎清，因而确保他荣耀中的地位。因此，大部分的新信徒开始为祂而活和工作，出于他们在救恩上之谢意的动机。通常给与他们的劝诫是「如今动手事奉主吧。」他们寻求来作的这个是基于这出生的真理。因着这不适切的基础叫大部分的年轻基督徒落得失败收场。

有更透彻受教的人在他们的与神和好，他们为主耶稣所收纳，并且他们在祂里头得以完全和永远得保障的知识上前进。就算站在这稳固根基上，他们在更多的需要上仍有所学习。在尝试以这些基本的真理来活所带来的失败是天父为要明白拯救需要之基督徒所准备的。

之后圣灵开始揭示拯救他脱离罪之管治的真理（罗 5:21）。主耶稣曾应许「你们必晓得真

that “ye shall know the truth, and the truth shall make you free” (John 8:32). This freedom does not come from general truth in the Word, important as that is, but from specific truths.

In the key Book of Romans there is nothing said about growth until the problem of righteousness is completely settled. To the middle of Chapter Five the subject is justification from sins based on the substitutionary work of the Lord Jesus, and it is that birth truth upon which many attempt to gain maturity in Him. After Romans 5:11, Scripture begins to speak of “justification of life,” and, “reigning in life” (vv. 17, 18)—the life we need for the Lord Jesus to be manifested.

It is important to note that Romans 1:1-5:11 present God’s remedy for the *penalty* of sins, while Romans 6-8 present God’s remedy for the *power* of sin. The Blood secures forgiveness for my sins, the Cross secures deliverance for me, the sinner. These are facts that not only bring new birth and promise heaven, but provide His

理，真理必叫你们得以自由。」(约 8:32) 这样重要的自由不是来自圣经的普遍真理，而是来自特别的真理。

在罗马书中「义」的问题得着完全解决之后才说到「成长」。来到罗 5 章的中间部分，主题是「从罪中称义」，是基于主耶稣的代替工作，就是这出生的真理叫多人尝试去在祂里头得着成熟。在罗 5:11 之后，圣经开始谈到「生命的称义」和「得生命」(罗 5:17-18)，我们所需的是叫主耶稣得彰显的生命。

留意到罗 1:1 至罗 5:11 说到神为罪的惩罚而有的补救和罗 6-8 章所说神为罪的权势而有的补救是重要的。**血确保我们罪的得赦，而十字架确保我这罪人的得释放。**这些事实不单止带来新生和天堂的应许，且此时此刻便带来了祂得胜的

overcoming resurrection life for the here and now. "I am come that they might have life, and that they might have it more abundantly" (John 10:10)

Position Appreciated

It is the captive, dominated by the wretched self-life, to whom the identification truths call. This struggling one, who has long been plagued by doubt, defeat, discouragement, and depression, is being prepared to enter into the reality of the provision set forth in Romans 6-8. Through the practical experience of prolonged personal failure, he has been made aware of self's bankruptcy.

In the light of that realization he is able to appreciate the positional truth that self, the old man, was identified with the Lord Jesus in His crucifixion (Rom. 6:6). This is the gospel for the Christian! Our Savior dealt not only with the symptoms but with the disease, the root as well as the fruit. We have His substitution for our sins; we have identification with Him in His death for sinful self.

复活生命。「我来了，是要叫人得生命，并且得的更丰盛。」(约 10:10)

所领会的地位

联合真理所召唤的是那被卑鄙的一己生命所俘虏和支配的人。一直以来被疑虑、失败、挫折和消沉折磨而挣扎的人，正被安排来进入在罗 6-8 章所陈明实在的供应。藉着经年虑月个人失败的实在经历，祂已然觉知一己的彻底失败。

在这亮光的领悟下，他能领会地位上的真理，己这旧人与主耶稣在钉死上与祂联合（罗 6:6）。这是为基督徒而设的福音！我们的救主处理了的不单止是病征，更且是疾病本身；处理了根并且果子。我们得着祂在我们罪上的代替，我们是在祂为犯罪的己上死来与祂联合。

Our Father takes us down until the self life is uncovered, and then up as the truth of the Christ life is discovered. This spiritual principle cannot be circumvented. To attempt to “climb up some other way” is futile. God’s truth, ministered in God’s way by God’s Spirit, alone frees. And that freedom is centered in our invulnerable position “in Christ.”

The Holy Spirit knows what processing is required for each individual to learn that self deserves nothing but death, and that the Lord Jesus Christ is his life. To learn *all* the truth about the former takes a lifetime, to say the least; *all* the truth about the latter will not be exhausted throughout eternity. Hence He patiently teaches enough about self through failure to enable us to learn of Christ for triumph.

Position Accepted

Through the work of the Cross, our Father has not only positionally freed us and made each of us “accepted in the Beloved” (Eph. 1:6), but has also made us “complete in him.” “For it is in

Christ that the fullness of God's nature dwells embodied, and in Him you are made complete" (Col. 2:9, Wey.). It is in Him we are to abide; He is the very source of our Christian life. To abide is to remain where one has already been enlived and positioned. It is in Him that we rest, fellowship, and grow—far above all.

Where is the Lord Jesus today? He is risen and set at the Father's right hand (Eph. 1:20, 21). It is when the Christian understand his *death-position* that he is enabled to see his *life-position* in the risen Lord Jesus. Therefore he counts himself recreated, alive unto God in Christ Jesus (Rom. 6:11b)

The believer's enlightened faith follows effortlessly, because he now sees himself exactly where he has been positioned all along: "For ye died [unto the old self-life, at Calvary], and your life [new creation, raised in His resurrection and ascension] is hid with Christ in God" (Col. 3:3). Now he can begin walking "in newness of life" (Rom. 6:4).

When the Holy Spirit gives us

性一切的丰盛都有形有体的居住在基督里面。」(西 2:9) 我们在祂里头居住。祂正是我们基督徒生命的源头。居住就是保持早已给与人的生命和地位。我们是远在一切之上来在祂里头居住, 契合和成长的。

主耶稣今天在那里? 祂已升天, 坐在父神的右边(弗 1:20-21)。当基督徒明白到他死的地位时, 他便能得见他在复活之主耶稣的生的地位。因此他看自己为重生的, 在基督耶稣里向神活。(罗 6:11)

光照信徒的信毫不费力地随之而来, 因为他如今得见自己正正身处一直安放中的地位。「因为你们已经(在加略山向旧的己生命)死了, 你们(新造, 在祂复活和升天上)的生命与基督一同藏在神里面。」(西 3:3) 如今他能开始在「新生的样式」中行(罗 6:4)。

当圣灵使我们适切

adequate apprehension of our risen position, we are able spontaneously to reckon ourselves “alive unto God in Jesus Christ.” Thus we are drawn to the Source of our life, and there we learn to rest—and *abide above*!

Chapter 3 Keep Looking Down!

In contrast to the popular exhortation to “keep looking up” (from ourselves to Christ), we are to “keep looking down” (from our position in Him) upon our circumstances here on earth.

Think of the faithfulness of the Holy Spirit, as He works patiently and thoroughly in the life of the growing Christian. He ministers the Cross, and He ministers Christ. It is the finished work of the Cross for the old nature, and the abundant life of the Lord Jesus for the new nature.

Of the Holy Spirit’s ministry in the life of the believer the Lord Jesus said, “He will honor and glorify Me, because He will take of (receive, draw upon) what is Mine and will reveal (declare, disclose, transmit) it to you” (John 16:14, Amp.) He not only reveals the

领会我们复活的地位时，我们便能随时以自己「在耶稣基督里向神活」。因此我们被引往我们生命的源头，在那里学会安息和高居天上！

第三章 常向下望！

与广为流传(从我们自己望向基督)的「往上望」这劝告相反，我们是要「常向下望」，从我们在祂里头的地位望向我们在地上的处境。

想想圣灵的信实，祂忍耐地和彻底地在成长的基督徒生命中作工。祂传讲十字架，祂传讲基督。十字架完成的工作是为我们旧有的本性，而主耶稣的丰盛生命是为那新的本性。

在圣灵于信徒生命的职事上，主耶稣说：「祂要荣耀我，因为祂要将受于我的告诉你们。」(约 16:14) 祂不单止揭示关乎基督和十字架于我们信心的圣经真理，也向我们传递他们的实在。

scriptural truths concerning Christ and the Cross to our faith, but also transmits their reality to us.

Love Motive

The babe in Christ has started to live for the Savior and to serve Him with all his heart. "He gave His all for me, now the least I can do is give my all for Him." The motive is right, but the motivation is wrong! He is seeking to live and serve on the basis of the birth truths and in the strength and ability of self, not yet understanding that God judicially condemned and crucified the old nature at Calvary. There his position "in Adam" ended; there his position "in Christ" began (2 Cor. 5:17).

The well-meaning believer is seeking to "save his life," not comprehending the spiritual principle, "If any man will come after me, let him deny himself, and take up his cross daily, and follow me. For whosoever will save his life shall lose it" (Luke 9:23, 24). The Holy Spirit is causing him to become aware of the fact that "in me (that is, in my flesh) dwelleth no good

爱的动机

在基督里的婴孩已开始了为救主而活，和全心来事奉祂。「祂为我付上一切，如今我最少也能作的就是将我的所有给祂。」这动机对，但行动方式错！祂正试图以生之真理的基础和己的力量和能力来活和事奉，却仍未曾明白神依法地在加略山审判和钉死那旧性情。祂「在亚当里」的地位在那里终结了，祂「在基督里」的地位得以开展。(林后 5:17)

出发点好的信徒是寻求「生命得拯救」，而不是要领悟「若有人要跟从我，就当舍己，天天背起他的十字架来跟从我。因为凡要救自己生命的，必丧掉生命。」(路 9:23-24) 那属灵的原则。圣灵正使他察觉到一个事实：在我里头，就是在我肉体中，没有良善(罗

thing” (Rom. 7:18). This is the turning point, usually years in the making, where the growing Christian begins to be centered in Christ rather than in self—“not I, but Christ.”

Hate Motive

Once the awakened one is brought to see self for the enemy that it is, he finds himself hating the old nature. “He that hatheth his life in this world shall keep it unto life eternal” (John 12:25). Now he appreciates the Spirit’s application of the Cross for what it brings—freedom from the dominion of the old life. Instead of avoidance of the Cross, he rejoices in its work of holding the Adamic nature in the place of death, inoperative. “God forbid that I should glory, save in the Cross of our Lord Jesus Christ, by whom the world is crucified unto me, and I unto the world” (Gal. 6:14).

When the Christian begins to take God’s side against himself, he is ready to contemplate the Lord Jesus from God’s standpoint, and not from that of self. Then the Holy

7:18) 这是那转折点，常要多年才作成的，成长的基督徒在那里开始以在基督里而不是以己为中心，不再是我，乃是基督。

恨恶的动机

苏醒的人一旦被领得见己之为敌，便发觉旧性情的可恶。「在这世上恨恶自己生命的，就要保守生命到永生。」(约 12:25) 如今他因十字架带来脱离旧生命的管治而领悟圣灵在十字架上的应用。他不单不逃避十字架，且因其将亚当天性放置在死地和不发生效力而欢欣。「但我断不以别的夸口，只夸我们主耶稣基督的十字架；因这十字架，就我而论，世界已经钉在十字架上；就世界而论，我已经钉在十字架上。」(加 6:14)

当基督徒开始站在神敌对他自己那边时，他便准备好不从己，却从神的观点来注视主耶稣。那么圣灵便自由地在饥渴

Spirit is free to carry out the second part of His ministry in the hungry heart, that of conforming him to Christ's image. "But we all, with unveiled face beholding as in a mirror the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord" (2 Cor. 3:18).

Faith Motive

"Even as by the Spirit of the Lord." It is the Spirit who enables the believer to reject continually the old life ("reckon ye also yourselves to be dead indeed unto sin"), and who shows him more and more fully his life *in Christ* ("reckon ye also yourselves to be ... alive unto God in Christ Jesus" [Rom. 6:11, ASV]). He begins to abide where he has long ago been positioned, in Christ risen. "Set your minds and keep them set on what is above ... where Christ is, seated at the right hand of God" (Col. 3:2, 1, Amp.).

The Holy Spirit's ministry ever proceeds in balance. On the one hand, He transmits the crucifying death of the Cross to the self-life.

的心灵里执行祂职事的第二部分，把他模成基督的形像。「我们众人既然敞着脸得以看见主的荣光，好像从镜子里反照，就变成主的形状，荣上加荣，如同从主的灵变成的。」(林后 3:18)

信的动机

「如同从主的灵变成的。」是圣灵使信徒持续地抗拒那旧有的生命(「你们向罪也当看自己是死的」)，圣灵也越发完全显出他在基督里的生命(「向神在基督耶稣里，却当看自己是活的。」(罗 6:11)) 他开始住在早已放置他的那处，就是在复活的基督里。「你们要思念上面的事.....那里有基督坐在神的右边。」(西 3:2, 1)

圣灵的职事总是平衡地进行的。一方面祂将十字架上的钉死传向己的生命，使肉体的工作、

The works, doings practices of the flesh are more and more held inoperative; such things as “immorality, impurity, indecency, idolatry ... enmity, strife, jealousy, anger [ill temper], selfishness, divisions [dissensions] ... envy ... and the life” (Gal. 5:19-21, Am.).

On the other hand, in conjunction with the death process of the old man, the Spirit develops the life process (growth) of the new man. As we abide above in the Lord Jesus, looking upon His glory in the Word and fellowshiping with Him, the Holy Spirit increasingly produces His fruit: the life of the Lord Jesus in and through us. “The fruit of the (Holy) Spirit [the work which His presence within accomplishes]—is love, joy (gladness), peace, patience (an even temper, forbearance), kindness, goodness ... self-control (self-restraint, continence)” (Gal. 5:22, 23, Amp.).

Death Motive

Even the new life, the Lamb-life, is taken into death in the growing Christian's daily walk. This

作为、举动越发不发生效用，例如奸淫、污秽、邪荡、拜偶像、邪术、仇恨、争竞、忌恨、恼怒、结党、分争、异端、嫉妒、醉酒、荒宴等类。(加 5:19-21)

另一方面，圣灵发展出与旧人之死的过程相联的新人的(成长)生命程序。当我们在主耶稣里居于天上，在圣经中仰望祂的荣耀，与祂相交时，圣灵便越发结出祂的果子，在我们里头和藉我们有主耶稣的生命。「圣灵所结的果子(祂在里头所作成的工作)就是仁爱、喜乐(欢欣)、和平、忍耐(一个平和的脾性和容忍)、恩慈、良善.....节制(自制、克制)。」(加 5:22-23)

死的动机

在成长基督徒每天的行止上，就是羔羊生命这新生命被交于死地。这

“newness of life” is a sacrificial life, in contrast to the old life of self-preservation. Sacrifice is the very nature of his new life. As he grows, that life is manifested to the Father’s glory, and for the sake of others. “So then death worketh in us, but life in you” (2 Cor. 4:12).

Here is the principle of the grain of wheat, the paradoxical principal of growth. The Holy Spirit works it out in the daily life and ministry whatever the calling may be. “Unless a grain of wheat falls into the earth and dies, it remains [just one grain’ never becomes more but lives] by itself alone. But if it dies, it produces many others and yields a rich harvest” (John 12:24, Amp.)

Life Motive

The Spirit of Christ carries on this development process throughout our being, in our everyday life here *below*, “that the life also of Jesus might be made manifest in our mortal flesh” (2 Cor. 4:11). But our life-source, our home, our position, is the Lord Jesus at the Father’s right hand. The

「生命的新样」是一奉献的生命，与自我维护的旧生命相反。奉献和为别人而活正是他新生命的特性。成长时，这生命彰显天父的荣耀。「死是在我们身上发动，生却在你们身上发动。」(林后 4:12)

这是麦子的原则，是生长的矛盾原则。圣灵在每天的生命和职事上作成这个，不论是甚么呼召。「一粒麦子不落在地里死了，仍旧是(一粒麦子永不会增加，只会活出那)一粒；若是死了，就结出许多子粒来。」(约 12:24)

生命的动机

基督的灵在我们下头每天的生活上，在遍及我们的所是上继续这发展的过程。「使耶稣的生在我们这必死的身上显明出来。」(林后 4:11)但我们生命的源头，我们的家、我们的地位是在天父右边的主耶稣。圣灵已将

Spirit has placed us in Christ, in the light *above*. “Truly our fellowship is with the Father, and with his Son Jesus Christ” (1 John 1:3).

In this invulnerable position above we are developed, matured, and used for His glory in the darkness of this age. We are in the world, but not of it. Our life-resources which are from above are more than adequate to meet the needs found in this sphere of death. There are innumerable influences in this sinful world that would draw us to a level below that which is ours, “hid with Christ in God” (Col. 3:3). The Spirit of God has but one standard for the growing believer: God’s very best as it is in Christ Jesus. Nothing lower, nothing secondary.

“By which will we are sanctified through the offering of the body of Jesus Christ once for all. ... But this man, after he had offered one sacrifice for sins forever, sat down on the right hand of God. ... Having therefore, brethren, boldness to enter into the holiest, by the blood of Jesus, by a new and living way, which he hath

我们放在基督里，在上头的光明中。」我们乃是与父并祂儿子耶稣基督相交的。」(约壹 1:3)

在这固若金汤的地位上，我们在今世的黑暗中得以发展，成长和用上祂的荣耀。我们虽在世上，却不属世。我们的生命源头来自上面，比在这死亡之境上发现到的迫切需要还要多。在这罪恶世界上有着无数的影响会牵引我们来到属我们这下面的地步，「与基督一同藏在神里面」(西 3:3)。神的灵对成长的信徒只有一个标准。神的最好就在基督耶稣里，毫无逊色，毫无次等。

「我们凭这旨意，靠耶稣基督，只一次献上祂的身体，就得以成圣.....但基督献了一次永远的赎罪祭，就在神的右边坐下了.....弟兄们，我们既然因耶稣的血得以坦然进入至圣所，是藉着祂给我们开了一条又新又活的路，从幔子经过，这幔

consecrated for us, through the veil, that is to say, his flesh, and having a high priest over the house of God, let us draw near with a true heart in full assurance of faith. ... Let us hold fast the profession of our faith without wavering" (Heb. 10:10, 12, 19-23).

In these pages we are seeking to set forth the glorious position and spiritual resources of the Christian, and to examine some teachings and life-levels which are current today. It isn't a matter of whether or not there are wrong—some of them are—but whether or not they are at *His* level. Anything less than that which He has given us in Christ risen is too low. In Him we are to *abide above*, and keep looking down.

Chapter 4 Law Versus Life

Not law, but grace; not I, but Christ. The principle of law applied to the believer dooms him to Romans Seven, while the law of the Spirit of life in Christ Jesus delivers him to Roman Eight.

Identification with Christ includes the position of *death* for

子就是祂的身体。又有一位大祭司治理神的家.....就当存着诚心和充足的信心来到神面前 ;也要坚守我们所承认的指望 ,不至摇动。」(来 10:10, 12, 19-23)

我们正试图在这些字里行间陈列基督徒的荣耀地位和属灵源头 ,和验证一些当今的教训和生命层次。究竟其中有否错误无关重要 ,因其中必有错误 ;重要的是究竟他们是否达至祂的层次。任何次于祂在复活之基督里曾给我们的都太低。我们在祂里头便高居天上 ,且常往下望。

第四章 律法比对生命

不是律法 , 乃是恩典 ;不再是我 ,乃是基督。守律法原则的信徒注定罗 7 章的收场 ,而在基督耶稣里生命圣灵的律领他得罗 8 章的解救。

与基督的联合包括旧天性死的地位 ,和新天

the old nature, and the position of *life* for the new nature. It is the work of the Holy Spirit to block self and its sinful works, and to foster the new life and its fruits.

Spiritual growth does not involve effort on the part of the Christian, for the indwelling Spirit transmits the life of the Lord Jesus from source to servant. Neither is there struggle connected with daily deliverance from the tyranny of self, for the Spirit transmits the finished work of the Cross to that sinful element.

Where these death-dealing and life-giving identification truths are unknown to the believer, he finds no alternative but to try to keep the law as a “rule of life.” This erroneous expedient consists of applying the principle of law for the control of conduct—its prohibitions for self, its commands for life. But the Scriptures teach us that the Holy Spirit, “the Spirit of life in Christ Jesus,” ministers Christ to the Christian, not law. “For the law was given by Moses, but grace and truth came by Jesus Christ” (John 1:17).

Most of the depressing

性生命地位上的联合。阻碍己和它犯罪之工是圣灵的工作，祂也培育那新生命和其果子。

属灵的成长不涉及基督徒方面的努力，因为内住的圣灵将主耶稣的生命传递，自源头传给仆人。其中也没有每天脱离己之专横的挣扎，因为圣灵将十字架成就的工夫传送至那犯罪的始元。

当圣徒得知这些交与死地和给与生命的联合上的真理时，便发现没有别的选项，只竭力将律法看为「生命的规律」。这错误的权宜包括应用律法的原则来管控对己的禁制和得生命之命令的行为。但圣经教导说不是律法，而是圣灵，在基督耶稣里的生命圣灵，是祂将基督给与基督徒。「律法本是藉着摩西传的；恩典的真理都是由耶稣基督来的。」(约 1:17) 大部分落在信徒身

law-burden placed upon believers emanates from Calvinism and its Covenant theology. Many are unaware of the legalistic aspect of this teaching, since its tents are well known for providing the Christian with the solid scriptural foundation of justification and eternal security. Let us now consider some of the aspects of this theology as it affects those who long to grow in Christ.

Justification

Nothing need be said further regarding the faithful stand the Calvinists have established concerning foundational truths such as the inspiration of the Word, and the complete, eternal justification of the believer.

Sanctification

When it comes to sanctification via Christ our life, Substitution is clearly proclaimed; identification (our death to the law and our life in Christ) by and large has not been recognized.

The Covenant movement's dependence upon law for spiritual growth is caused by a combination

上沉重的律法重担源于加尔文主义和其圣约神学。多人不知道这教训的条文主义这方面，因着其阵营是以提供基督徒称义和永恒确据的坚牢圣经根据而驰名的。让我们如今看看这神学的一些方面，因为它影响到那些渴望在基督里成长的人。

称义

在已建立关乎到例如圣经的灵感和信徒的永远称义这些根基性真理的加尔文主义上，无需多说。

成圣

当来到我们的生命藉基督来成圣时，清晰陈明的是「代替」，但（我们在律法上死和在基督里得生的）联合上，总的来说都未曾被辨识。

圣约运动在属灵成长上的依靠律法造成一系列的错误。改革神学是

of errors. Reformation theology is anti-dispensational, and primarily restricted to two covenants, works and grace. Prophetic Scriptures are spiritualized, resulting in amillennialism. The church is considered to include the saints of all ages, the distinctive Body of Christ not being discerned. In this merging Israel with born-again believers, the law is brought right on past Calvary and fastened upon the Christian. Throughout the realm of sanctification Covenant Calvinism fails “to distinguish the things that differ” (Phil. 1:10, ASV).

This theology prevents the Christian from seeing and freely taking his stand as having died up to the law and being now alive unto God in the Lord Jesus. “Ye also were made dead to the law through the body of Christ, that ye should be joined to Another, even to Him who was raised from the dead, that we might bring forth fruit unto God” (Rom. 7:4, ASV). We have died to the old life and are now alive in the new, and that to bring forth “fruit”—the fruit of the Spirit in contrast to the “works” of the law.

反神旨的，根本上是限制于行为和恩典这两约上。先知书被灵意化，导至无千禧年论。教会被看为包括所有世代的圣徒，不被看为基督的独特身体。以色列与重生的信徒混而被为一，律法被领经过加略山来紧系于基督徒。在遍及成圣的范畴上，圣约加尔文主义不能「分别是非」(腓 1:10)。

这神学叫基督徒不能得见和自由地采取律法上已死和如今在主耶稣里向神活的立场。「你们藉着基督的身体，在律法上也是死了，叫你们归于别人，就是归于那从死里复活的，叫我们结果子给神。」(罗 7:4) 我们已在旧生命上死，如今在新生命上活，结出果子，就是相对于律法上行为的圣灵果子。

We turn now to the words of two men who based their teachings on the identification truths.

Wm. Kelly

“Every believer is regarded by God as alive from the dead, to bring forth fruit [not works] unto God. The law only deals with a man as long as he lives; never after he is dead. ‘For ye died, and your life is hid with Christ in God.’ And that is not at all what is said of us after a ‘second blessing,’ ... or any other step of imaginary perfection. We *begin* with it. ... I am identified with Christ dead and risen. It is no longer the law dealing with me to try if it can get any good out of me. I have relinquished all by receiving the Lord Jesus, and I take my stand in Him dead and risen again ... as one alive from the dead, to yield myself to God.

“The Gospel supposes that, good and holy and perfect as the law of God is, it is entirely powerless either to justify or sanctify. It cannot in any way make the old nature better; neither is it the rule of life for the new nature.

我们如今转到两个人的言论，其教训是基于联合之真理的。

Wm. Kelly

「神看每个信徒都是从死里复生，都向神结出果子（而不是行为）。律法只会在他活着时来处理那人，永不会在死后『因为你们已经死了，你们的生命与基督一同藏在神里面。』（西 3:3）这完全不是说到我们有『第二恩福』.....或任何其它幻想出来的完全步骤。我们是以『我与基督同死同活』来开始的，律法不能再叫我尝试从我得着任何美善。我已藉得着主耶稣而舍弃一切，我采纳与祂同死同复活的立场，作为一个从死里复活将自己献给神的人。」

「福音认为，神的律法无论如何美善、圣洁和完美，在叫人称义和成圣上都是完全无能为力的。它不能在任何方面使那旧性情改善，它也不是新性情的生命准则。旧人不

The old man is not subject to the law, and the new man does not need it. The new creature has another object before it, and another power acts upon it, in order to produce what is lovely and acceptable to God—Christ the object, realized by the power of the Holy Spirit.” (*Galatians*, pp. 125, 137.)

C. I. Scofield

“Most of us have been reared and now live under the influence of Galatianism. Protestant theology is for the most part thoroughly Galatianized, in that neither the law nor grace is given its distinct and separate place as in the counsels of God, but they are mingled together in one incoherent system.

“The law is no longer, as in the divine intent, a ministration of death (2 Cor. 3:7), of cursing (Gal. 3:10), or conviction (Rom. 3:19), because we are taught that we must try to keep it, and they by divine help we may. Nor does grace, on the other hand, bring us blessed deliverance from the dominion of sin, for we are kept under the law

会降服于律法，新人也没有此需要。新造的人面前有另一个目标，在他身上有另一种能力，为叫他能产生神所爱和悦纳的。那目标就是基督，藉圣灵大能来作成的。」(《加拉太书》页 125, 137)

C. I. Scofield

「我们大部分人都在加拉太教义的影响下受培育和如今活在其下。更正教神学大部分都是完全加拉太化的，其中律法和恩典是没有给与如同神忠告的清楚和分别的地位。他们在一个结合的系统内混在一起。」

「律法不再如神圣意图般是属死（林后 3:7）、被咒诅（加 3:10）和伏在审判之下的（罗 3:19）职事，因我们被教导须尽力来遵守律法，为叫我们得神圣的帮助。另一方面，我们被教导不是恩典领我们得着脱离罪管治的蒙福释放，因我们

as a rule of life despite the plain declaration of Romans 6:14—‘For sin shall not have dominion over you; for ye are not under the law but under grace.’” (*The Fundamentals for Today*, Vol. 2, p. 367.)

How sad to realize that while Calvinism so effectively refutes Arminianism in the realm of justification, its Covenant theology fails the believer in the realm of sanctification just as badly as does Arminianism.

Chapter 5 The Conference Question: Time

The Holy Spirit is well able to provide the hungry heart with abundant truth through the ministry of a Christ-centered conference. However, the believer must be willing to provide the Spirit adequate time to manifest the reality of that truth.

The Keswick method of presenting the message of liberation and growth is quite unique. The theme for the first day is sin in the life of the believer. The searchlight of God’s Word is

服在律法之下，以它作为生命的准则，没有理会到罗 6:14 平白的宣告：『罪必不能作你们的主，因你们不在律法之下，乃在恩典之下。』（《今天的基要派》卷 2，页 367）

可悲的是明白到加尔文主义在称义的范畴上这样有效地驳倒亚民主义，但其圣约神学在成圣的范畴上如同亚民主义那样糟糕地使信徒失脚。

第五章 大会关乎时间上的问题

圣灵足能为饥渴的心灵提供丰盛的真理，是藉着以基督为中心之大会的传讲。但是，信徒定须乐意给与圣灵足够的时间来彰显这真理的实在。

开西呈现释放和成长的方法。头一天的主题是信徒生命中的罪。神话语的鉴察之光信实地聚焦在里头的罪。

faithfully focused upon indwelling sin.

On the second day the subject is God's provision for deliverance from the domination of sin and self in the life of the defeated Christian. Here the identification truths are set forth, as centered in Romans Six, with the Cross as the key to freedom from sin's power.

On the third day consecration is dealt with. On the fourth day, the fullness of the Spirit. On the final day of the series the subject is Christian service, with emphasis on missionary outreach.

It is probably through English Keswick, more than any other human means, that the Spirit of God has been pleased to make the identification doctrines clear and available to us today. It has been a long, uphill battle to release these truths on the scale that we now have them; and the awakening today among hungry-hearted believers is mainly due to that Convention as an avenue of the Spirit's work.

Coupled with the vast number who have been brought into the

第二天的主题是神所提供在失败基督徒罪和己生命管治上的释放。就此如同罗 6 章集中说到联合的真理被陈明,还有十字架乃脱离罪之权势的关键。

第三天处理到成圣。第四天是圣灵的充满。一连串题目的最后一天是基督徒的事奉,还有强调对外差传。

在比起其它人类手段上,神的灵可能一直更喜悦用上英国的开西大会来使联合的教义于今天的我们清晰和可用。按着我们如今有的规模来释放这些真理一直是一持久和费力的争战,今天在饥渴心灵的信徒中间的觉醒主要是因着这大会作为圣灵工作的场所。

伴随着大量一直被领进十字架和基督徒生

deeper truths of the Cross and the Christ-life, there has been an even vaster number who have been frustrated and disillusioned, returning to their problems in home and ministry more disheartened than ever. It is this spectrum of believers that we would seek to encourage.

Individual

First of all—and this may not seem very encouraging—the reason for much of the failure lies mainly with the individual rather than the conference. There are those who attend simply to enjoy the messages and fellowship; they do not really mean business concerning growth in the Lord Jesus Christ. Others want to learn how to “live a better Christian life” while at the same time retaining their love for self. In this condition, they are bound to return home with little spiritual progress.

On the other hand, it must be said that the disappointment and failure of many others finds much of its cause in the conference method. Several observations are

命中更深真理之人的，是更大量挫败和灰心的人，带着他们的问题回家和工场，比起从前更沮丧。我们试图鼓励的就是这类信徒。

个别的人

首先，大部分的失败原因主要是在于个人而不是大会，也许这似乎不那样叫人鼓舞。有出席的人不过单单想享受信息和相交，他们不是真的要在关乎到主耶稣基督里成长上认真。有人想学习如何「活出更好的基督徒生命」而同一时间却保持爱自己。在这情况下，他们的少有属灵进步下归家便是必然的了。

另一方面，须说到多人发现大部分失望和失败的原因是在于大会的方法。在此有若干观察的分享，虔诚地盼望在即将

shared here in the prayerful hope that definite adjustments may be forthcoming in the spiritual life conventions for the good of all concerned.

Method

The progression of truth during Keswick's annual series of meetings is very well conceived first dealing with sin, then deliverance, consecration, infilling, and finally, service. All the doctrine necessary for freedom from the old life and establishment in the new is there, clearly and pointedly presented. However, these truths should bring about more fruit than is usually evidenced in the lives of those who attend.

The method is much like the law: just and good, but weak through the flesh (Rom. 7:12; 8:3). The believer is not able to keep up with the pace at which the truth is presented. Clear comprehension requires time, and appropriation must be based on comprehension. What the Convention expects and calls for at the end of the week should not be looked for at the end

来到的属灵生命大会上为着所有相关人士的益处而有着明确的调息。

方法

每年开西大会的真理进程是经过慎密构想的，先是处理罪，之后释放，成圣、充满、和最后的事奉。所有教义上必须有的脱离旧生命和在新生生命上的建立在那里都找到，有着清晰和突出的陈述。但是，这些真理该带来更多果子，而不单常是与会者所见证的生命。

其方法与律法大大相似，是公正和美善的，却因靠肉体而成为软弱（罗 7:12 ; 8:3）。信徒不能在所展示的真理上亦步亦趋。清晰的领会是需时的，而领会必须基于理解。在一周完结时大会所期望和呼召的不应在一年之终结时来寻找！

of a year!

Time

The delivering and establishing principles of truth are there, but the governing principle of *time* is not. Consider the second day with its presentation of the all-important identification truths—the Cross in its separation of the believer from the dominion of sin. In actuality, it takes years for the Holy Spirit to prepare the Christian for, and bring him into the reality of, his identification with the Lord Jesus in death and resurrection—to say nothing of his position of ascension.

Yet, the conference rolls onward the next day, and the hungry-hearted one is duly pressed into consecration—in preparation for the vital infilling of the Spirit on the following day. It is on the second day that the light begins to fade for the majority of those who honestly seek victory through Keswick and similar conferences. For some of these the conference ends on the second day as far as their comprehension and participation go.

时间

拯救和建立的真理是有的，但那支配的时间原则就欠奉。看看第二天所说全然重要的联合真理：十字架叫信徒得脱离罪之权势。但事实上，圣灵是以年计来装备基督徒，领他进入他与主耶稣在死和复活上联合的这事实。大会却在他升天的地位上一无所说。

然而大会滚向下一日前，饥渴的心灵按时被催促来成圣，为着下一日重要的圣灵充满作好准备。大部分诚实来藉开西或类似的大会寻求胜利之人的光是在第二天开始减退的。于这些人来说，大会是在第二天结束的，因为他们的领会和参与就此止步。

Others valiantly move on, seeking to reckon upon their death and resurrection in Christ, to enter into consecration, and then to receive the fullness of the Spirit—all by faith, but without sufficient understanding. They do not yet have an adequate grasp of the truth of identification to prepare them to advance into the following steps. The problem is compounded when they are all too often pressured at each step to enter into the truth presented. This causes them to attempt to claim and appropriate that for which they are not prepared.

The results are inevitable. There is a return home with high hopes for “victory all the way,” only to find it slipping from their grasp within a brief time. Then comes the disillusionment concerning the very truths that the Father has supplied for freedom and spiritual growth.

Those who are able to progress through the week on the basis of truth apprehended and who go home with victory that lasts, have had adequate teaching and preparation prior to attending

其它人勇敢地继续，尝试去指望他们在基督里的死和复活，得进入成圣，之后获得圣灵的丰满。这一切都是藉着信，却没有足够的明白。他们还未曾在联合的真理上有着适切的掌握，来装备他们更进一步。他们全都常被催迫亦步亦趋来进入所呈现的真理，叫问题更趋复杂。这使他们试图来祈求和取用他们未预备好来得的东西。

结果是无可避免的，回家时有着「全路程胜利」的热切期望，到头来却发现一瞬间便从手上溜走。之后来到关乎天父供给的自由和属灵成长的真理上的理想破灭。

那些能够领略真理下经过一星期进程，和带着持久胜利回家的人，是在出席大会之先早已有适切的教训和装备的。

the Convention.

For true and abiding progress, the Holy Spirit always establishes the individual in one step before He takes him into the next. We have seen that there must be true conviction of sin and need in the hungry heart before the identification truths can be understood, let alone entered into. Without the reality of the work of the Cross, there can be no true consecration—self will be dedicated to God instead of the new life.

Moreover, the Spirit will not control and fill one who is dominated by self. He must first apply the death of the Cross to the old nature before He can form Christ in the new nature. And it goes without saying that Spirit-motivated and Christ-honoring service must be the outgrowth of all the previous foundational steps. Most service carried out during the development of these steps is primarily for the preparation of the servant.

Awakening

It is certainly true that many

在真实和同住的进程上，圣灵总是为每个人先有逐步的建立，才领他走下一步。我们也得见必须先有真实的悔罪，和心中需要的饥渴，才能明白联合的真理，遑论得进入了。没有十字架工作的事实，便不能有真实的成圣，必须献给神的是己，而不是新生命。

再者，圣灵不会管控和充满那由己管治的人。祂必须先 will 十字架的死运用在旧天性上，祂才能在新性情模上基督。不用说圣灵推动和尊荣基督的事奉必须是所有先前基础步伐的结果。大部分发展这些步伐而执行的事奉主要是为着那事奉者来预备的。

觉醒

必然是事实的是，很

needy believers who attend the conferences receive adequate light to be awakened to the possibilities of the Father's answer to their failure and longed-for growth in the Lord Jesus. They are introduced to the realm of liberating and maturing truth that is in the Word of God. This in itself is invaluable, since many faithfully study the Book of Romans all their lives without seeing the message of identification. These awakened ones, with further study of the Scriptures and their newly discovered deeper life books, can make healthy progress through the carefully paced teaching of the Spirit of Christ.

Chapter 6 The Conference Question: Emphasis

The Spirit of Christ cannot manifest the life of the Lord Jesus through the self-life. He has only crucifixion for the old man. Until the Adamic nature is dealt with by the death of the Cross, He is not free to fill the new nature with the life of Christ. Hence the conference without the Cross for the life is

多出席大会的缺乏信徒得着适切的亮光，在天父响应他们的失败和切求在主耶稣里成长的可能上觉醒。他们被引进神话语所记得自由和成长之真理的领域。其本身是无价的，因为多人穷一生来诚心实意地研读罗马书，却看不见联合的信息。这些觉醒的人，进一步研读圣经和他们新近发现生命进深的书籍，他们藉谨慎追随基督之灵的教训来得着灵性进步。

第六章 大会关乎着重的问题

基督的灵不能藉自己生命来彰显主耶稣的生命。对于旧人祂只有钉死。除非藉十字架的死来处理亚当的天性，否则祂便不能自由地将基督的生命充满那新的天性。因此没有带来（for）生命之十字架的大会，根本上

essentially a conference without Christ as the life.

Throughout the first fifty years or more of English Keswick's history it was the policy to invite only speakers who were experientially in the good of the truths they taught. They were to be able to share, and not just preach; to teach and not simply exhort. Upholding this policy did much to preserve the key truths of the Convention, and to guard against deviation and dilution.

Paucity

It must be said, however, that this is not wholly the case at the present time, nor has it been for a good many years. Certainly there are many fine and faithful speakers on Keswick conference platforms today, but at the same time it is affirmed that some who speak in these conventions are not well enough qualified to do so. They are gifted preachers, but not necessarily Keswick speakers.

The needy believers who attend these conventions bear the brunt of this growing weakness of the unique Keswick message.

就是没有基督作为 (as) 生命的大会。

从头五十年甚或更久之英国开西大会的历史上得见，政策上他们只邀请经验上擅长于教导真理的人作讲员。他们须能分享，不单止会传讲；能教导，不单止劝诫。维持这政策在保存大会的关键真理，和保守不偏差和不稀释上贡献良多。

缺乏

可是必须说的是，今非昔比了，也许多年来已不是这回事。今天肯定有很多优良和忠信的开西大会讲员，但同时肯定的是在这些大会的讲员中，有一些未够资格。他们是有恩赐的讲员，却并非必然是开西的讲员。

出席这些大会会有缺乏的信徒受这独有开西信息之越发衰弱的重击。因为重要的不单止是呈

Because it is essential not only to present the identification truths, but to present them effectively, it would be better not to hold a conference where fully qualified speakers are unavailable. In the face of so much slippage and barrenness throughout the church, there needs to be a return to the original platform standards.

Time

We have already considered the fact that the Keswick method of presentation does not give adequate time for the majority of believers attending to enter into that which is expected of them by the end of the week. Through the years it has not only been the unqualified speakers, but the qualified as well who have contributed to this problem.

Most conference speakers seem to forget how long it was before they were able to see and understand the identification truths, to say nothing of sharing them with others. To some extent, they are expecting the average believer in just four days to enter

现联合的真理,且要有效地呈现,在没有完全合资格讲员下还是不举行大会为佳。面对充斥教会那么多的跌倒和荒芜,实在有需要回复那原本的讲台水平。

时间

我们已想过开西大会表述的方法并不给与主要参与的信徒有足够的时间来进入期待星期末他们所得进入的这事实。多年来不单止是不合资格的讲员,连合乎资格的也会带来这问题。

大会的大部分讲者似乎忘记了他们从前要多久才得看见和明白联合的真理,遑论他们与别人分享了。某程度来说,他们期待普遍的信徒只要四天便能进入他们以年计才明白的!在下一个

into that which took them years simply to understand it! At the next convention, ask a speaker just how long a period it was for him.

Emphasis

Mainly due to the inadequacy of many speakers at deeper life conferences, there has been a shift of emphasis away from *the centrality of the Cross* in the overall message presented. The key to spiritual growth is the Cross. It was there that the ground of death was established from which the Christian partakes of the resurrection life of the Lord Jesus Christ. No Cross for death results in no Christ for life.

The Holy Spirit does not reveal this key to the unprepared heart, neither does He share these truths through speakers who are in a similar condition. The reproach to the borne, and the extreme difficulty of properly sharing the message of the Cross, are understandable. Nevertheless, it is imperative to present the truth of identification if there is to be any liberation for those in need.

大会问问讲者他过去需要多久。

着重点

主要因为很多讲者的不适合来作进深生命的讲道，整体传递信息的着重点偏离了十字架的中心性。属灵成长的关键是十字架。死的根基是在那儿建立的，基督徒由此有分于主耶稣基督的复活生命。没有带来死的十字架便没有带来生命的基督。

圣灵不向没准备的心灵来揭示这关键，也不会藉着没准备心灵的讲员来分享这些真理。对随流的责难，和正确分享十字架信息的极端艰难都是可理解的。但是，为着任何有缺乏之人的得释放，展示联合的真理极其重要。

It must be the Cross, or nothing, for any life-giving ministry to believers. For speaker as well as listener, as it was for Paul, "God forbid that I should glory, save in the Cross of our Lord Jesus Christ, by whom the world is crucified unto me, and I unto the world" (Gal. 6:14).

If the believer fails to gain access to the truths of the Cross during a conference, he will have little or nothing. No matter what decisions or commitments he is brought to, all will inevitably come down and great will be the fall thereof. There will be nothing to prevent the reassertion of the sinful self-life and the consequent sinking back into defeat and despair.

In all deeper life ministry, wherever and whenever the identification truth of the Cross is not central, the emphasis shifts to the filing of the Spirit. Important as is His fullness and control, He does not fill the new life until the old is firmly established in the death of the Cross. This principle of life out of death is inviolate! "*Except* a grain of wheat fall into the ground and

除了十字架,没别的能赐信徒生命。讲者听者都跟保罗一样,「我断不以别的夸口,只夸我们主耶稣基督的十字架,因这十字架,就我而论,世界已钉在十字架上;就世界而论,我已经钉在十字架上。」(加 6:14)

信徒若不能在大会中得着十字架的信息,他所得着的只会稀少甚或无有。无论他有何决定或委身,无可避免的是后退和大大的跌倒。因为没有东西可避免犯罪之己生命的再现,和至终重回堕进失败和失望中。

在所有何时何地进深生命的传讲中,十字架的联合真理若不是中心点,着重点便会转到去**圣灵的充满**。祂的充满和**管治是重要的**,但祂不会**充满新的生命**,除非那旧生命已被牢牢安放在十字架的**死地**。这出死入生的原则是不容违背的!「一粒麦子不落在地里死了,

die, it abideth alone; but if it die, it bringeth forth much fruit" (John 12:24).

Personnel

It must be remembered that we are not dealing here with the typical Bible or prophetic conference. These comments have to do with conferences whose specific purpose is to minister identification truth.

There are certain pitfalls involved in the establishing of such a conference. For one thing, there is the possibility of conference directors choosing speakers on the basis of their popularity rather than for the explicit truths that need to be shared. On the other hand, some are simply ill-advised, and not able to discern the proper leadership required for such gatherings. Convention councils are too often, like some church boards composed of unqualified members.

Literature

The responsibility of sponsoring deeper life conferences is tremendous. It includes not only

仍旧是一粒；若是死了，就结出许多子粒来。(约 12:24)

人事

须谨记的是，我们在这里不是特特处理圣经或先知讲道的问题。这里要评论的是那些有着特别目的来传讲联合真理的聚会。

这样聚会的成立上存在某些漏洞。举一个例，大会负责人有可能在选择讲员时会基于其受欢迎程度而不是所需分享的明确真理。一方面，有些讲员正是因沟通不足，不能分辨这样聚会所需的適切领导。大会当局经常像一些教会一样，委员会是由不合资格的会员组成的。

文字工作

倡议进深生命之大会的责任是重大的，它不单止包括拣选讲员，也包

the selection of speakers but the choice of literature. Keswick-type conferences usually have a well-stocked book table, but the fact that it is well-stocked too often proves to be a dubious blessing. There just aren't that many top-level books available in the area of spiritual growth, even after one hundred years of faithful Keswick ministry and writing.

One of the results of a poor choice of speakers is that their secondary books will also blunt the effectiveness of the literature outreach. Therefore, books have to be chosen with equal discernment. Since the identification and related truths are brand new to many of the believers attending the conferences, they need careful guidance as to what they read in the growth realm. If the selections are of the highest caliber they will be studied for years, whereas the speakers may be heard for only a few hours. In meeting this responsibility it is advisable to offer only the very best of deeper life literature, that which is in harmony with the truths shared from the

括拣选书刊。开西类型的大会常有相当的藏书，但事实上这些珍藏也同时常证明为一不确定的恩福。就算开西有着一百年的讲道和记录，但在属灵成长的领域上不是有很多高质素的书籍可提供。

在讲员的差劲拣选上所带来的其中一个后果就是他们次等的书籍也削弱文字工作拓展上的影响力。因此书籍的拣选上也要有着相同的识别能力。因着联合和相关的真理于众多出席大会的信徒都是新颖的，所以在这些成长有关的阅读上他们需要小心的指引。若拣选是出于最高水平的，便值得经年的研读，而讲员也许只得听三数小时。为要迎合这责任，最好只提议那些最佳的灵命进深的书刊，就是与真理的纲领相和谐的。那么无论热切的心选上那些书籍，他必然会至终带

platform. Then, no matter what books the eager heart chooses, he will consequently go home with gold for growth.

The Individual

What about the needy one who attends the conference? Dear friend, trust the Father for His very best as it is in Christ Jesus. Settle for nothing less; the Holy Spirit never will. Watch for the Cross. He is not there. He is risen! But you must be taken *there* in order to see and know Him where He is.

If the conference ministry is lacking in the “word of the Cross,” there will be a crippling lack in the presentation of the Lord Jesus Christ, no matter how clearly He is set forth. The Spirit of Christ ministers resurrection life out of death; with Him it is ever “dead indeed unto sin, but alive unto God”—and so it must ever be with us.

Chapter 7 Conditions—Cause or Effect?

The Christian is not called upon to meet conditions in order for the

着叫人成长的金子回家。

个别的人

出席大会有缺乏的人又如何？亲爱的朋友啊，当信天父会给像在基督耶稣里最好的东西。不要安于次等的，圣灵从不会。看看十字架，祂不在那里，已升天了！你却必须被带到那里，为要得见和认识如今所在的祂。

若大会的讲道缺乏「十字架的信息」，无论怎样说到主耶稣基督，在展示祂上必然会有着后果严重的缺乏。基督的灵作成出死亡入复活生命的职事，于祂总是「真的向罪死和向神活」，于我们也必然一样。

第七章 倒果为因

基督徒不是被呼召来符合圣灵充满他的条

Holy Spirit to fill him. The Spirit ministers to the believer so that Christ may be the fulfillment of all conditions pertaining to abundant life.

The established trend in the conference ministry has already been mentioned, that of strong emphasis on the filling of the Spirit at the expense of adequate emphasis upon the work of the Cross. The messages naturally focus upon the finish, but if solid groundwork has not been laid the sought-for result will not be achieved.

In any ministry to Christians where the positional facts of identification are not presented as the basis of spiritual development, there will be no true preparation for experiencing the Lord Jesus as one's life. Attempts will be made to build upon other areas of truth that are not meant to produce spiritual growth.

Confession Error

Most deeper life ministries are being erroneously founded upon the fullness of the Spirit. There are

件。圣灵来为信徒作成的就是基督得以符合一切关乎到丰盛生命的所有条件。

大会讲道所确立的取向已然提及，就是放弃适切地强调十字架的工作下来大大强调圣灵的充满。信息自然地聚焦在那结局，但根基若立得不稳，那么所寻求的结果便不能达成了。

在任何向基督徒的讲道中，联合的地位性事实若没有作为属灵成长的根据来展示的话，必然未真正装备好来经历作为人生命的主耶稣了。所作的努力是将根基立于不会产生属灵成长的其它真理的领域上。

错误的承认

大部分进深生命的讲道都是错误地建基于圣灵的充满。有一些是在

some that rely upon confession and cleansing for this fullness (1 John 1:9). It is taught that if one will faithfully confess and forsake his sins as they occur, he will then be able to maintain a spiritual walk. Important and blessed as this provision is for restoration of fellowship, it was not intended to be a means of growth. This expedient deals only with symptoms, and never was meant to reach the cause: indwelling sin and the self-life. The Cross alone does that. Crucifixion for the source of sin, confession and cleansing for its symptoms.

Holiness Error

Another ministry to believers built upon a misplaced emphasis is that of “holiness by faith,” or what might be termed instant spirituality. The believer is urged to forsake all known sin, to yield unreservedly to the Spirit, and by faith appropriate His fullness. Then he is filled, since he has asked in faith for something that is God’s will for him, and has believed that he has received (1 John 5:14, 15). On the basis of this

于为这充满而有的认罪和洁净(约壹 1:9)。所教导的是人若真的在罪出现时诚心认罪和离弃罪，那么他必能持守在属灵的行止中。这在恢复相交上是重要和蒙福的，却不是得成长的本意。这临时手段所处理的不过是表征，从不会达至内住的罪和己的生命这成因，惟有十字架才会达至。罪的源头要钉死；要承认和洁净罪的征兆。

错误的成圣

另一种对信徒的讲道建基于错误强调「因信成圣」上，也可以称之为实时的灵性进步。信徒被催逼来离弃一切已知的罪，向圣灵无条件地降服，藉信来支取祂的充满。他既藉信祈求神本意要给他的，他也相信他得着了，那么他得充满了(约壹 5:14-15)。因着这藉信得充满，所以他进而

by-faith filling he is hence forth to live a yielded, holy life.

This method has brought about a great deal of struggle in the attempt to maintain such a step, often resulting in disillusionment especially among eager young people. The reason is that co-crucifixion with Christ is bypassed. Self is still rampant. The Spirit of God does not give immediate holiness of life by faith or any other means. True, His method of producing holiness is by faith, but it is through *the process of growth*. The Spirit matures the new life in Christ as He holds the old life in the position of death via the Cross. There are no shortcuts to maturity.

Authors

Errors such as these should be obvious enough for the hungry believer to avoid. But we must be careful in our study of spiritual growth books that are available, since they tend to reflect the conference trend of undue emphasis on the filling of the Spirit. Or it may be possible that the

活出降服和圣洁的生命。

试图走上这一步的方法带来大量的挣扎，常有的结果是理想的破灭，尤其在年轻人中。原因是与基督的同钉不过是支路。己仍兴盛。神的圣灵不会因着信或其它手段而给与生命的立时圣洁。祂要求产生圣洁的方法无疑是藉信，却是透过成长过程上的信。圣灵使那新生命在基督里成熟，就在祂把那旧生命藉十字架置诸死地时。成熟无快捷方式。

写书的人

这样的错误明显到饥渴的信徒该可避免。但在研读已有的属灵成长书籍时我们定须小心，因为他们都试图反映大会过度强调的圣灵充满。大会的问题有可能反映在文字上，有点儿恶性循环了。

conference problem has been influence by the literature—a somewhat vicious circle.

The deeper life books include the identification truths, else they would not be classed as such. But there is a factor in all but a few that tends to annul the work of the Cross, and to transfer most of the work to the defeated believer. He is exhorted to be filled with the Spirit before he has been felled by the Cross!

Conditions

Some of the typical requirements laid upon the failing one before he can hope for the Spirit's fullness are: "put away all sin in the life"; "there must be full obedience in all things"; "complete abandonment to the Spirit"; "self must be dethroned"; "unqualified surrender"; "absolute separation from the world"; "complete separation from all defilement of the flesh and spirit"; "total obedience and complete consecration, with Jesus enthroned in the heart"; "the old life must be cast out." Over and above all these

进深生命的书籍包括联合的真理，否则不能归此分类。除了例外的小数，全部都有一个试图废除十字架工作的因素，将大部分的工作转移到失败的信徒身上。他是有先被十字架的击倒才会得着圣灵充满的劝诫！

条件

不能得着期望中圣灵充满的人身上有着一些典型的要求：「除掉生命中所有罪」「凡事上必须要顺服」「完全听从圣灵」「必须废除己」「十足的降服」「完全脱离世界」「完全除去所有肉体 and 灵魂的污秽」「心中以耶稣作王下来完全顺服和成圣」「旧生命必须被除掉」。在一切这些条件之上的是恒常要求为得充满的信徒来将己降服于神。当问的是哪一个己？

conditions is the constant call for the believer to “yield” himself to God in order to be filled. It might be asked, “Which self?”

Reversal

The cart must not be placed before the horse. It is not for the believer to put sin out of his life—that is the work of the Spirit. The yielded life is not a prerequisite for His fullness, but its result. We came to the Lord Jesus just as we were, with all our sin; we are to come to the Spirit just as we are, with our spiritual need.

Responsibility

As a matter of fact, if the immature believer could meet any one of the above-mentioned conditions he wouldn't need to be filled with the Spirit. However, in order for anyone to meet them, he must first be filled (controlled) by the Spirit. This is an extremely important point, and one of the chief causes for many Christians giving up all hope of ever being filled.

To compound the problem,

本末倒置

拖拉货卡一定不可放置在马前。把罪从生命中除掉的不是信徒，而是圣灵的工作。降服的生命不是祂充满的先决条件，而是结果。来到主耶稣那里的我们一如既往，是满身罪污的；来到圣灵那里的我们是属灵上有所缺乏的。

责任

事实上，未成熟的信若能符合上述任何一项条件时，他便不再需要被圣灵充满了。但是，任何人为要符合他们，他须先被圣灵充满（管治）。这是极重要的一点，也是众多基督徒放弃所有被充满之希望的其中一个主要原因。

很多这些领头人进

many of these leaders further insist that if and when one is filled, that blessed infilling can only be maintained by continual obedience, yieldedness, surrender, separation, etc. If there is sin, the filling is lost. They admit that the individual does need the Spirit's help in meeting these conditions, but they still place too much of the burden upon him.

In saying this, we make reference to most deeper life authors and speakers, past and present. It is not that their valuable ministries are to be rejected in any way, but it is necessary to note this trend in order that the emphasis may be turned back to the Cross. That is where the Holy Spirit keeps it. For the most part, the growth conferences and literature faithfully present the identification truths—the work of the Cross is there. But it has become a matter of too little Cross, and too much “condition.” In relation to all other aspects of the Christ-life, the believer's position of death with Christ suffers from a nullifying imbalance.

As a result, the child of God is

一步坚持人若要被充满，能维持这蒙福充满只能藉着持续的顺服、献上、降服、隔离等来使问题更复杂。若有罪，便失掉充满。他们承认个别的人真的需要圣灵的帮助来符合这些条件，但他们仍将过分的重担放在人身上。

我们提及过去和现今最进深生命之作者和讲员来说这个的。不是在任何方面不接受他们宝贵的讲道，而是需要留心这趋向，为的叫着重点重回十字架。圣灵的着重点就在那儿。大部分的成长大会和文字都信实地展示联合的真理，十字架的工作就在那里。但越来越少提及十字架，太多提及「条件」了。关乎到基督生命的其它范畴时，信徒与基督同死的地位有着被废掉的不平衡状况。

因此，神的儿女被抽

drawn out of his position of rightful need, to that of wrongful responsibility: “The responsibility for this fullness of the Spirit is, in a tremendous sense, in your own hands.” “It is not now a question of His fullness, it is a question of your receptiveness.” “You may have all the fullness that you make room for. In a profound sense it rests upon you.”

Romans 6:13

There is a statement in the midst of the identification truths that explains the reason for this inversion of responsibility. The scriptural key that reveals how this problem developed, and how it can be rectified, is in Romans 6:13. “Yield yourselves unto God, as those that are alive from the dead.” In almost every instance where this verse is touched upon, the first half receives all the emphasis; indeed, the second half is usually neglected altogether. For every page that has to do with the believer’s union with Christ in His death, there is usually a chapter or more dealing with his responsibility to yield to God for the

离其正确需要的地位，负上「严格来说，这被圣灵充满的责任是在你们一己手中」，「如今这不是祂充满否的问题，而是你接受与否的问题」，「你可以得着一切替代的充满，严格来说这全在乎你」等错误的责任。

罗 6:13

在联合真理的中间有一句子解释到这倒转责任的原因。揭示这问题是如何发展出来，和如何得被校正的关键经文就是：「倒要像从死里复活的人，将自己献给神。」（罗 6:13）这经文所触及的几乎是每一个情况，上半得着所有人的重视，而下半真的完全被忽略。每一处关乎到信徒与基督在死上联合的经文，总常有一章或多章来处理为着得圣灵充满而要负上降服于神的责任。

fullness of the Spirit.

The emphasis must always be on the all-important statement, “*as those that are alive from the dead.*” The whole of Romans Six is contained in this clause. There the Cross is central, where it ever should be. There the Holy Spirit’s ministry is seen, as He “transmits” life out of death to the risen believer.

Yielded Nature

Dear friends in Christ Jesus, it must be proclaimed! When the Christian thoroughly comprehends his participation in the finished work of the Cross, he will be able to yield himself (as a new creature in Christ, not the self-life) unto God as one who is alive from the dead. Yes, “alive unto God in Jesus Christ our Lord.” There will be no conditions required for the filling with the Spirit. Emphasis on the meeting of conditions arises from failure to establish the believer in the truth that renders conditions needless. Where others posit surrender, the Spirit places the *Cross*.

那着重必定常有着全然重要的句子：「倒要像从死里复活的人」。整章罗 6 章都包在这句子中了。其中心就是本该如是十字架。在那里得见圣灵的职事，祂将出死入生的生命传送给复活的信徒。

降服的性质

在基督耶稣里的亲爱朋友啊，这性质定须宣扬！当基督徒完全领悟他在十字架成就的工夫上有分时，他必能以出死入生之人来向神降服他自己（成为在基督里的新造，不再是己的生命）。是「向神在耶稣基督我们的主里头活」。得圣灵充满无需任何条件。强调要符合条件是出于在不能提供不需要之条件的真理下来建立信徒。在别人断定要降服之处，圣灵在其上放置十字架。

Christ-centered

Further, we must not make the filling with the Spirit an end in itself. The life must be Christ-centered if He is to make it fruitful and full of joy. The Holy Spirit's ministry is to glorify the Son, and to this end the Father and the Spirit work together, "that in all things he [the Son] might have the preeminence" (Col. 1:18).

Sir Robert Anderson has said well, "In proportion therefore as mind and heart are fixed on Christ, we may count on the Spirit's presence and power, but if we make the Holy Spirit Himself the object of our aspirations and worship, some false spirit may counterfeit the true and take us for a prey."

Our prayer with Paul is, "that He would grant you, according to the riches of His glory, to be strengthened with might by His Spirit in the inner man, that Christ might feel completely at home in your hearts" (Eph. 3:16, 17, lit.).

Chapter 8 The Spirit's Ministry

Normally, the Holy Spirit fills the Christian as a result of the

以基督为中心

再者，我们定须不看圣灵充满为终极。人若要多结果子和满有喜乐的话，他必须以基督为中心。圣灵的职事就是要荣耀子，圣父和圣灵一起达成这目的。「使祂（圣子）可以在凡事上居首位。」（西 1:18）

Robert Anderson 爵士说得好：「当思想和心灵合乎比例地注目在基督身上时，我们便得以指望圣灵的同在和能力了；但我们若使圣灵自己成为我们渴望和敬拜的对象时，一些错误的灵也许会假装那真实的来夺取我们为猎物了。」

让我们作保罗的祷告：「求祂按着祂丰盛的荣耀，藉着祂的灵，叫你们心里的力量刚强起来，使基督因你们的信，住在你们心里。」（弗 3:16-17）

第八章 圣灵的职事

通常圣灵充满的基督徒是生死得着平衡运

balanced application of death and life. By death (the Cross), that no flesh should glory in God's presence; by life (growth), that Christ may be all (1 Cor. 1:29; Col. 3:11). No experience could ever bring that about.

This is a call to return to the Cross and to abide above in Christ. The Christian life is not developed through an experience, or even a series of experiences, no matter how enthralling they may be. Rather, spiritual maturity and fruitfulness develop as one grows in grace and in the knowledge of the Lord Jesus Christ. There will be valid experiences resulting from growth, but they will glorify Him and never self.

Spirit-filled

It is true that the waiting disciples were instantly filled with the Holy Spirit on the Day of Pentecost. Not long afterwards, the Spirit filled them again (Acts 4:31). It was also for a specific purpose that Paul was immediately filled with the Spirit shortly after his conversion. Nothing powerful or spectacular

作下的结果。(十字架上的)死叫神同在时的肉体不再得意;(成长的)生命叫基督得以成为一切。(林前 1:29; 西 3:11)从来没有别的经历能带来这个。

这是叫我们回到十字架和在基督里高居天上的呼召。基督徒的生命不是藉经历长成出来的,那怕是如何吸引人的一系列经历。反而属灵的成长和结果子是当人在恩中和主耶稣基督的认识上生长出来的。成长必会带来确凿的经历,但他们只会荣耀祂,而永不荣耀己。

圣灵充满

等候的门徒真的在五旬节立时得着圣灵的充满。之后不久,圣灵再次充满他们(徒 4:31)。保罗在信主后不久便立时得着充满,这也有着特别原因。在他得充满时没有任何非常或特别事情发生,也没有异象。反而

occurred at the time of his filling, and there were no signs involved. Rather the Lord said to Ananias concerning Paul. “He is a chosen vessel unto me, to bear my name before the Gentiles, and kings, and the children of Israel; for I will show him how great things he must suffer for my name’s sake” (Acts 9:15, 16).

Anti-Spirit

There is no denying that many believers are suddenly filled with the Spirit for reasons which are related primarily to service. Such instances, however, are not meant to be the norm, nor are they to be the means of growth into the image of the Lord Jesus. The misguided insistence upon seeking an experience has wrecked, and is wrecking, untold numbers of lives, whether that experience be “by faith” or “by conditions.” It matters not whether it be a “baptism of the Spirit,” a “second blessing,” “higher life,” “entire sanctification,” or “tongues.” No such experience is able to establish a Christian in the life that is Christ. Rather, all tend to

主向亚拿尼亚论及保罗说：「他是我所拣选的器皿，要在外邦人和君王，并以色列人面前宣扬我的名。我也要指示他，为我的名必须受许多的苦难。」(徒 9:15-16)

敌对圣灵

很多信徒主要为着事奉的原因而忽然得着圣灵充满是不容否认的。但是这些事例不能被看为常态，也不是长成主耶稣形像的手段。这些寻求经历的误导事件曾经和现正破坏说不出数目无论是藉信或是藉满足条件的生命。无论这是否「圣灵的浸」、「二次蒙福」、「更高生命」、「完全的成圣」或「方言」，这些经历没有一项能叫基督徒在基督的生命上有所建立，全都导至转离基督，叫自己建立在更深的己生命上。

turn him from Christ and establish him but deeper in the life that is self.

Experience-centered attainment fosters spiritual pride, which in turn causes divisions among children of God. The Holy Spirit unites, in Christ, self divides, in selfish experiences. At best, there is a concentration upon self and the Spirit, rather than upon Christ and the Cross.

We have noted that the emphasis in conference ministry has shifted from crucifixion to surrender. The Holy Spirit, however, does not fill the Christian on the basis of yieldedness. The old life is enmity against God and will never surrender, hence the Spirit must minister the death of the Cross to that nature. The new life has only love for God, and will always yield, hence the Holy Spirit freely ministers the life of Christ to that nature.

Spirit-control

Apart from occasional and special instances, the Spirit controls and fills the believer as a result of

以经历为中心的工作促成属灵的骄傲，到头来造成神儿女间的分裂。圣灵是整合的，在基督里的；而己是分化的，着重自私经历的。有的充其量是专注于己和圣灵，而不是在于基督和十字架。

我们留意到大会讲道上将重点由钉死转移到降服。但是圣灵是不会因着降服而来充满基督徒的。旧生命与神为仇，永不会降服，因此圣灵必须向这性情执行十字架上的死。新生命只会为神而爱，总常降服，因此圣灵自由地向该性情执行基督的生命。

圣灵的管治

除了偶有和特别例子之外，圣灵的管治和充满是祂给与的成长结果。

the growth that He gives. It is not a matter of surrender so as to get and to have, but of growth in Christ so as to be and to give. It is not to be powerful or gifted, but to be weak and dependent. He will see to that. "My grace is sufficient for thee: for my strength is made perfect in weakness" (2 Cor. 12:9). "Unto them which are called ... Christ the power of God, and the wisdom of God" (1 Cor. 1:24).

To be filled with the Holy Spirit is to be filled with the life of the Lord Jesus Christ. It is to have His life manifested in our mortal flesh (2 Cor. 4:11). That growth is transmitted by the Spirit of the Lord, from glory to glory transforming us into the image of the Son (2 Cor. 3:18). And growth of the new is always balanced by the Spirit's application of the death of the Cross to the self-life. Surrender of self is no substitute for the death of self. The one is to glory in self, the others is to glory in the Cross (Gal. 6:14).

The trend in deeper life teaching has not only been moving away from the Cross to center upon

不是「降服是为叫得着和拥有」，而是「在基督里的成长是为了得生命和给与」。这并非成为有能力和满有恩赐，而是软弱和倚靠。他必然得见「我的恩典够你用的，因为我的能力是在人的软弱上显得完全。」(林后 12:9) 「在那蒙召的人.....基督总为神的能力，神的智慧。」(林前 1:24)

被圣灵充满乃是被主耶稣基督的生命所充满，是在我们必死的肉体中彰显祂的生命(林后 4:11)。这成长是主的灵传送来的，变成主的形状，荣上加荣。(林后 3:18)而新生命的成长总是因着圣灵将十字架的死运用在己生命上而得着平衡。己的降服不能取代己的死。一个是荣耀己，另一个是荣耀十字架(加 6:14)。

进深生命教训的流向不单止由十字架转为以圣灵充满为中心，更远

Spirit-filling, but has gone beyond this to focus upon the responsibility of the Christian. It is, “yield, surrender, abandon, obey, separate, consecrate, cease from sin, cast out self,” or the Holy Spirit will neither be able to function nor fill. What this amounts to is a mighty believer, but a weak and helpless Spirit of the living God. This emphasis on human responsibility may have seemed quite harmless once, but it is far from that now.

The Lord Jesus was explicit in explaining to the disciples just what the Spirit’s ministry was to be on behalf of His own. He said, “I will send him unto you” (John 16:7), and that He did, at Pentecost (Act 2:4). He also informed them that “He shall not speak of himself ... he shall glorify me: for he shall receive of mine, and shall show [transmit] it unto you” (John 16:13, 14). He laid down no conditions; all was to be through the faith by which they lived. True faith is centered in the Word, including faith for growth. “Sanctify them through thy truth: thy word is truth” (John 17:17).

超这个，聚焦在基督徒的责任上。要「献上，降服，放弃，顺从，离弃，奉献，停止犯罪，撇弃己」，否则圣灵既不能运作，也不能充满。这意味着一个大能的信徒，和一个永生神的软弱和无助的圣灵。这在人责任上的着重也许从前似乎是无害的，但如今远远不是这样了。

主耶稣明确地向门徒解释圣灵的职事就是代表祂而作。祂说：「我必差祂到你那里去。」(约 16:6) 祂真的在五旬节作成了(徒 2:4)。祂也告诉我们：「祂不是凭着自己说的.....祂要荣耀我，因为祂要将受于我的告诉(传给)你们。」(约 16:13-14) 祂没有设下条件，所有都是藉着他们活出的信。真实的信是以圣经为中心，包括成长上的信。「求祢用真理使他们成圣；祢的道就是真理。」(约 17:17)

Spirit-motivated

The Holy Spirit took charge while we were yet “dead in sins” and brought us to the Lord Jesus by faith. He will conform us to Christ’s image by faith. He is God, dwelling within each believer, and He will abide with us forever (John 14:16). The union is absolute, since we are “in the Spirit, if so be that the Spirit of God dwell in you” (Rom. 8:9). His indwelling is a relationship of life. “For the law of the Spirit of *life* in Christ Jesus hath made me free from the law of sin and death” (Rom. 8:2)

The Spirit of Christ within is at work, and has been from the moment we were saved. He is not cringing in some corner of our being, in some dark garret, hopefully waiting for a series of conditions to be met so that He may have the privilege of filling us. Far from it! We have been bought with the price of Calvary and re-created in Christ Jesus; therefore the Spirit is able to carry out God’s eternal purpose in us by means of that finished work and flowing life.

How vast the number of

圣灵所推动的

当我们死在过犯中时，圣灵已照管，把相信的我们领进主耶稣。祂必会把相信的我们模成基督的形像。祂是住在每个信徒里的神，必永远与我们同住（约 14:16）。这联合是绝对的，因为「如果神的灵住在你们心里，你们就……属圣灵了。」（罗 8:9）祂的内住是生命的关系，「因为赐生命圣灵的律，在基督耶稣里释放了我，使我脱离罪和死的律了。」（罗 8:2）

自我们得救一刻起，里头基督的灵一直在运行。祂不是瑟缩在我们生命中的一角，在黑暗的阁楼中，盼望等待一系列条件的符合叫祂得以有着殊荣来充满我们。远非如此！我们是藉加略山的重价买来，并在基督耶稣里得重生的，因此圣灵能在我们里头执行神永恒的计划，是藉着那作成之工夫和流动的生命。

今天何等多的信徒

believers today who are utterly defeated! Many of these are being tempted by the tinsel offer of instant holiness, or by self-centered, neurotically induced, so-called “gifts of the Spirit.” They do not realize the blessed fact that, ever since their new birth, the Spirit has been faithfully ministering within by taking them down into defeat that self might be revealed and repudiated.

At the very time they are crying out, “O wretched man that I am!” the Spirit has them at the turning point where He can begin to transmit the life that is “not I, but Christ,” thereby enabling them to begin to “thank God through Jesus Christ” (Rom. 7:24, 25). But they know it now. May many see it now!

Both in the natural realm and in the spiritual, healthy growth takes time—the Spirit’s time. “He shall be like a tree planted by the rivers of water, that bringeth forth his fruit in *his season*” (Ps. 1:3). “And therefore will the Lord *wait*, that he may be gracious unto you, and therefore will he be exalted, that he may have mercy upon

被彻底打败！多人被立时成圣，或误以为是所谓「圣灵的恩赐」的以自我为中心这华丽提议所诱惑。他们不明白那蒙恩的事实，打从他们得着新生起，圣灵已信实地在里头运行，叫他们被打败，就是己的被揭示和否定。

就在这一刻他们呼喊：「我真是苦啊！」圣灵领他们来到这转折点时才能开始将「不再是我，乃是基督」的生命传送，因而开始「感谢神，靠着主耶稣基督」（罗 7:24-25）。他们如今得见了，但愿如今多人得见！

自然和属灵层面上的健康成长都需时，是圣灵的时间。「他要像一棵树栽在溪水旁，按时候结果子。」（诗 1:3）「耶和华必然等候，要施恩给你们；必然兴起，好怜悯你们。因为耶和华是公平的神；凡等候祂的都是有福的。」（赛 30:18）「但愿使

you...blessed are all they that *wait* for him” (Isa. 30:18). “Now the God of hope fill you with all joy and peace in *believing*, that ye may abound in hope, through the power of the Holy Spirit” (Rom. 15:13).

Chapter 9 The Spirit's Goal

The pride of self has come from another; our humility of life must also come from Another. The Lamb of God said of Himself, “I am meek and lowly in heart” (Matt. 11:29). It is the Lamb-life that the Holy Spirit ministers within.

We are exhorted in the Word neither to “grieve” (by sinning) nor “quench” (by resisting) the indwelling, sensitive *Holy Spirit* (Eph. 4:30; 1 Thess. 5:19). But this we do daily in the course of our spiritual development. Nevertheless, in the midst of the grief we cause Him by our sin, He carries on the work to which He was commissioned by our risen and glorified Lord. He does not sulk and quit His ministrations.

The Holy Spirit took into consideration beforehand all that He would have to endure. He

人有盼望的神，因信将诸般的喜乐、平安充满你们的心，使你们藉着圣灵的能力大有盼望。」(罗 15:13)

第九章 神的目的

己的骄傲另有来源；我们生命的谦卑也另有来源。神的羔羊说到自己：「我心里柔和谦卑。」(太 11:29) 圣灵是在羔羊的生命里头运行的。

圣经劝诫我们既不要因罪忧伤，也不要抗拒来销灭内住和敏锐的圣灵(弗 4:30；帖前 5:19)。这却是我们每天在我们灵程发展上作的。然而，在我们叫祂因我们的罪而忧伤之时，祂仍进行祂的工作，就是我们复活和荣耀之主所委派祂的。祂不会生气而放弃援助。

在圣灵须忍耐的事上，祂全都事先考虑周详。祂不过由结果转至定

simply turns from fruit-bearing to conviction, and to chastening (child-training). Painful as it is, His conviction brings us to confession of sin and restoration to fellowship with Himself, with our risen Lord, and the Father (1 John 1:9). The chastening may well be “grievous; nevertheless, afterward it yieldeth the peaceable fruit of righteousness unto them who are exercised by it” (Heb. 12:11).

The Spirit of Christ

Spirit-fostered growth can never be attained through meeting conditions or having experiences. Nor does the Spirit depend upon such means. He is carrying out the commission of the Lord Jesus Christ. He is in charge. “No man can [even] say that Jesus is the Lord, but by the Holy Spirit” (1 Cor. 12:3).

The Word further calls us to be “filled with the Spirit” (Eph. 5:18). The purpose of His infilling is to manifest the life of the Lord Jesus in us. Galatians 5:22 and 23 enumerate the facets of the fruit of the Spirit—‘love, joy, peace, long-suffering, gentleness,

罪，再转而(训练孩童上的)管教。祂的定罪领我们认罪和回复与祂的相交，这于我们复活的主和天父是痛苦的(约壹 1:9)。管教也许是「极愁苦的，后来却为那经练过的人结出平安的果子，就是义。」(来 12:11)

基督的灵

圣灵所促成的成长永不能藉符合条件或凭经历来得着。圣灵也不会依赖这样的手段。祂执行主耶稣基督的托付。祂负责。「若不是被圣灵感动的，也没有能说耶稣是主的。」(林前 12:3)

圣经嘱咐我们要被圣灵充满(弗 5:18)。祂充满的目的就是要在我们里头彰显主耶稣的生命。加 5:22-23 列举圣灵果子的各方面：仁爱、喜乐、和平、忍耐、恩慈、良善、信实、温柔、节制。

goodness, faith, meekness, self-control.” These are the characteristics of Christ Himself. To be filled with the Spirit is to be filled with the Lord Jesus.

The Spirit of Truth

It was “through the [same] eternal Spirit” that the Lord Jesus “offered himself to God” at Calvary (Heb. 9:14). “Ye are manifestly declared to be the epistle of Christ ... written not with ink but with the Spirit of the living God” (2 Cor. 3:3). We obtain our growth by “obeying the truth through the Spirit” (1 Peter 1:22). We are to “walk in [dependence upon] the Spirit, and ye shall not fulfil the lust of the flesh” (Gal. 5:16).

Especially bitter is the disappointment of the one who has truly sought to depend upon the Spirit and yet has sunk down into failure and darkness. Often his heartbreak is brought about by overemphasis on the fullness of the Spirit in deeper life books and conferences. Even so, the Spirit uses this disillusionment to bring defeat and thereby prepare the

这些就是基督自己的特征。被圣灵充满就是充满主耶稣。

真理的灵

主耶稣是「藉着相同永远的圣灵」来在加略山「将自己献给神的」(来 9:14)。「你们明显是基督的信.....不是用墨写的, 乃是用永生神的灵写的。」(林后 3:3) 我们得的成长是藉圣灵来「顺从真理」(彼前 1:22)。我们「当顺着圣灵而行, 就不放纵肉体的情欲了。」(加 5:16)

那一直真诚地寻求倚靠圣灵, 却浮沉在失败和黑暗中之人的失望是尤其难以接受的。他的心碎常是因着在灵命进深的书籍和大会的过分强调圣灵充满而来的。虽然这样, 圣灵仍用上这理想破灭带来的失败, 因而为心灵预备了在主耶稣里的得胜和成长。

heart for victory and growth in the Lord Jesus.

The failing one finds that, just where he depended upon the Spirit most, and just when he needed Him most, He did not seem to respond. Rather, He seemed to make him all the more miserable and needy. The Spirit of God will never give power through faith in Himself, but will ever increase the believer's realization of his need of Christ. In this He is faithfully carrying out His mission of glorifying the Lord Jesus, all the while speaking not of Himself but remaining hidden. He has not even revealed His name.

Throughout this discovery of weakness the hungry heart is slowly being turned to the truth of the Word, from which the Spirit of truth never deviates. When his faith is finally shifted to the dual growth center—the Cross and the ascended Lord Jesus—then the Spirit begins to respond accordingly.

The Spirit of the Cross

The Cross is to be gloried in and the Son glorified. As the Cross

失败的人发现在他最倚靠圣灵那处，在他最需要圣灵那处，祂似乎是毫无反应的；反而祂似乎使他更可怜和缺乏。神的灵从来不会因人信圣灵而给与能力，却常会叫信徒越发明白到他需要基督。在此祂是信实地执行祂荣耀主耶稣的任务，全时间都不谈及祂自己，保持隐藏。祂甚至不揭示祂的名字。

饥渴的心灵因着这软弱上的发现而渐渐转向圣灵永不离的圣经真理。当这人的信心至终转向十字架和升天的主耶稣这成长的双重中心时，圣灵才开始有所响应。

十字架的灵

当得荣耀的是十字架，而荣耀它的是圣子。

is applied to the old life, the awakened one finds himself more free to concentrate upon the Lord Jesus above. This focused faith brings the very heart of the Spirit's ministry into action. The joyful and dependent believer is resting in the positional truth that "the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death" (Rom. 8:2). Now he is beginning to receive the reality of that freedom in his daily life.

How is this Spirit-wrought "not I, but Christ" life experienced? When one is reckoning within the scope of identification with Christ, the Holy Spirit inevitably transmits the finished work of both death and life to the Christian. The self-life is going to feel the cut of the Cross, while the growing life of the crucified and risen Lord Jesus within will be manifested in sacrifice for others.

The hunger that the Spirit gives to the heart of the growing one is expressed in Paul's determined cry, "That I may know him, and the power of his resurrection, and the fellowship of

当十字架应用在旧生命时，觉醒的人发觉自己更自觉来聚焦在上头的主耶稣。这聚焦的信叫圣灵运行的心灵有所行动。喜乐和信靠的信徒是基于「赐生命圣灵的律在基督耶稣里释放了我，使我脱离罪和死的律了。」(罗 8:2) 这地位性的真理。如今他开始接受了他日常生命中之自由这事实。

如何得经历圣灵作成这「不再是我，乃是基督」的生命呢？当人在与基督联合的范围内来认定时，圣灵便将死和生这两个作成之工传送给基督徒。己的生命便立时感受到十字架的分割，而里头钉死和复活之主耶稣的成长生命就在为他人奉献上得以彰显。

圣灵给与成长之人心中的饥渴就在保罗决意的呼喊中表达出来：「使我认识基督，晓得祂复活的大能，并且晓得和祂一同受苦，效法祂的

his sufferings, sharing the likeness of his death” (Phil. 3:10, Cony.). To know Him is the very core and *raison d’etre* of one’s life in Christ. “This is life eternal, that they might know thee, the only true God, and Jesus Christ, whom thou hast sent” (John 17:3). The Spirit’s transmission of these truths into reality of life results in death working in us, but life in others (2 Cor. 4:12).

The Spirit of the Lamb

There is no list of conditions to be met, no yielding called for in order to be Spirit-filled. The Lamb-like life that the Spirit ministers and manifests is by nature yielded. It fills and overflows the one who believes and grows. Putting one’s “all on the altar” is simply *self-sacrifice*, hence unacceptable. God’s altar is the Cross. It is here He crucified self. Reckoning upon that finished work brings forth the sacrificial life of the Lamb, obedient and pliant in the Father’s hands. “Lo, I come to do Thy will, O God” (Heb. 10:9). “Let this mind be in you, which was also

死。」(腓 3:10)认识祂正是在基督里之人的核心和存在的理由。「认识祢独一的真神,并且认识祢所差来的耶稣基督,这就是永生。」(约 17:3)圣灵所传递的是「死在我们身上发动,生却在别人身上发动」这真理。(林后 4:12)

羔羊的灵

在得着圣灵充满上没有需符合的表列条件,也没有献上的要求。圣灵所运行和彰显的羔羊生命本质上是奉献的。祂充满且至满溢之人是相信和长成的。将人的「一切献在坛上」不过是献上己,因此是不蒙悦纳的。神的祭坛就是十字架。神是在十字架来钉死己的。认定这作成之工带来的是羔羊的奉献生命,在神手中听命和柔顺的生命。「我来了,为要照祢的旨意行。」(来 10:9)「你们当以基督耶稣的心为

in Christ Jesus, who ... made himself of no reputation, and took upon him the form of a servant ... he humbled himself and became obedient unto death, even the death of the cross” (Phil. 2:5, 7, 8).

Christ-centered servants, filled with the Spirit, are not conscious of power, but of weakness. God’s Spirit-led servants are base and despised, “that no flesh should glory in His presence” (1 Cor. 1:29). Paul’s bodily presence was weak, and he testified, “My speech and my preaching were not with enticing words of man’s wisdom, but in demonstration of the Spirit and of power; that your faith should not stand in the wisdom of men, but in the power of God” (1 Cor. 2:4, 5).

Paul, filled with the Spirit was God’s front-line warrior, church planter, writer, and sufferer. John, likewise filled with the Spirit, was Jesus’ heart-companion; quiet, deep, devotional. Paul was taken to glory, but was not allowed to share what he was there. John was also taken to glory, and wrote what he saw in “The Revelation of Jesus

心.....反倒虚己，取了奴仆的形像，成为人的样式.....就自己卑微，存心顺服，以至于死，且死在十字架上。」(腓 2:5, 7-8)

被圣灵充满，以基督为中心的仆人意识到的不是能力，而是软弱。被神之灵引导的人是卑贱和被人看不起的，「使一切有血气的，在神面前一个也不能自夸。」(林前 1:29) 保罗的外在表现是软弱的，他见证说：「我说的话、讲的道，不是用智慧委婉的言语，乃是用圣灵和大能的明证，叫你们的信不在乎人的智慧，只在乎神的大能。」(林前 2:4-5)

被圣灵充满的保罗是前线战士、建立教会者、写圣经和受苦的人。同样地，耶稣所爱的同伴，被圣灵充满的约翰安静、深沉、敬虔。保罗被提至天上的荣耀，却不容得享。约翰也被提进荣耀中，将他所见「耶稣基督的启示」(启 1:1)记录下

Christ” (Rev. 1:1). It matters not whether the Spirit makes of us a flaming Paul, or a faithful John; He is going to make us like the Lord Jesus Christ, “from glory to glory.”

What is the true manifestation of the power of the Spirit? Many Christians think they should become dynamic, powerful, and even flashy personalities in order to radiate “victory” and “spirituality.” But the Word defines the result of His filling thus: “For this cause we also, since the day we heard it, do not cease to pray for you, and to desire that ye might be filled with the knowledge of his will in all wisdom and spiritual understanding; that ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God; strengthened with all might, according to his glorious power, unto all *patience* and *longsuffering* with joyfulness” (Col. 1:9-11).

Chapter 10 Life Via Literature

The good has always been the enemy of His best. No books can

来。圣灵使我们成为像火焰的保罗，还是忠诚的约翰都不大要紧，祂将要使我们像主耶稣基督，荣上加荣（林后 3:18）。

甚么是圣灵能力的真实彰显？很多基督徒以为他们该变得具爆炸力、大有能力，甚至有闪电般的个格，为要彰显胜力和属灵。但圣经是这样定义得充满的结果：「因此，我们自从听见的日子，也就为你们不住的祷告祈求，愿你们在一切属灵的智慧悟性上，满心知道神的旨意；好叫你们行事为人对得起主，凡事蒙祂喜悦，在一切善事上结果子，渐渐的多知道神；照祂荣耀的权能，得以在各样的力上加力，好叫你们凡事欢欢喜喜的忍耐宽容。」（西 1:9-11）

第十章 生命比对文字工作

「好」往往是「最好」的敌人。没有书籍能取代

replace the Book, and only those of highest caliber can assist in opening its treasures. Therefore, seek the best and shun the secondary.

In conjunction with the Word of God, the greatest aid to spiritual growth comes through deeper life literature. As to feeding, it must be primarily the Word. But desired growth can be substantially aided by concentration upon the best writings. Secondary books, good as they may be, just will not do.

It must be pointed out that there are not many of the better titles available today. The enemy has thus far succeeded in keeping some of the older ones out of print, while any number of his are being produced for unsuspecting hearts, even by evangelical publishers. However, our Lord has seen to it that adequate material for healthy growth can be obtained by any hungry Christian.

It is important to select only superior growth literature, whether it be for the purpose of study, sharing, or selling. Much could be said about the mass of questionable and even harmful material that is

圣经，惟有那些最高的才干才有助于开启其宝藏，因此寻求最好的来越过那些次等好的吧。

当连上圣经时，在属灵成长上最大的帮助来自进深生命的文字。所喂养的，主要必定是圣经。但理想的成长是可以藉着最佳的著作而得着具体的帮助。但次好的书籍，无论如何的好，就是不够。

必须指出的是，今时今日可提供的较佳书目着实不多。仇敌大大成功叫一些较旧书籍不复印制，而属于仇敌不计其数的书籍却为那些无戒心的人而出版，甚至是自福音派的出版商。但是，我们的主一直看见这个，因此适合饥渴基督徒的健壮成长材料仍能获得。

只选择超卓的成长书籍是重要的，无论目的是阅读、分享还是出售。多人能说出在我们基督教书室中大量得见的有问题甚至是有有害的读物。

available in most of our Christian bookstores. Once the best books are discovered, the reader's discernment and requirements keep him from dropping to the level of the secondary. It makes all the difference when the awakened believer is early introduced to the tried and true writings on the Christ-life. Even so, caution must be exercised in studying most of the better books.

In the early stages, the eager Christian never dreams of questioning an author who presents the identification truths. Such teaching seems so far in advance of other spiritual literature that in his estimation these authors can do no wrong. This attitude is not as harmful as it may seem at first, since the Spirit in time gives adequate discernment whereby the believer is able to glean the gold without accepting or rejecting the whole.

We find this admixture in many of the best growth books. The main problem centers in their teaching on the filling of the Spirit. Despite this and other lesser

一旦发现了最佳的书籍，读者的洞察和需求叫他跌至次等好的水平。当觉醒的信徒早早被介绍来读那些试验过和真实的基督徒生命著作的话，一切会全然不同。就是在研读大部分较佳的书时也必须小心。

在早期时，热心的基督徒从不会想到质疑一个展示联合真理的作者。这样的教训似乎比其它属灵书籍远远超前，以至他以为这些作者不会出错。这态度开初似乎是伤害不大的，因为圣灵时不时会给与适切的识别，叫信徒在未接受或否定整个下仍能拾取金子。

我们在很多最好的成长书籍中发现这搀杂物。主要问题集中在他们教导的圣灵充满。尽管这个和其它较次要的困难，

difficulties, the priceless truths are there for all who hunger for His best. Brief comments concerning some of these books and their authors may be of help here, especially to those whom the Lord has only recently begun to stimulate. These titles are carried by most Christian bookstores, and should be made available at conference book tables and in church libraries. (See bibliography at end of book for further information on these books.)

Jessie Penn-Lewis 着《加略山的十字架》。少有联合真理之作者比她更清晰。

The New Life—Reginald Wallis. Once again in print, this little book is one of the best on the subjects of the self-life, the Cross, and the Christ-life.

Most of these writings yield richer treasure with the years of study. As the Christian grows, the Holy Spirit takes him deeper into the truth presented; it seems as though He renews the material every five or ten years. "We have received, not the spirit of the world, but the Spirit who is of God; that we might know the things that are freely given to us of God." "God hath revealed them unto us by his Spirit; for the Spirit searcheth all things, yea, the deep things of God" (1 Cor. 2:12, 10).

There are two reasons for the careful and prayerful study of the highest in growth material. The most important consideration is one's own spiritual development—so that the Lord Jesus may be glorified, and others drawn to Him.

Chapter 11 Identification Leadership

Reginald Wallis 著的《新生命》再次付印了。这小书是论到己之生命、十字架和基督生命题目上的佳作。

大部分这些著作产生更丰富的宝藏，可供多年的研读。当基督徒成长时，圣灵领他更深进入所呈现的真理，但似乎每五至十年祂便会更新内容。「我们所领受的，并不是世上的灵，乃是从神来的灵，叫我们能知道神开恩赐给我们的事。」(林前 2:12)「只有神藉着圣灵向我们显明了。因为圣灵参透万事，就是神奥的事也参透了。」(林前 2:10)

谨慎和以祷告的心来研读最高超的成长材料有两个原因。最重要的关注是人一己的属灵发展，因此主耶稣得以被荣耀，吸引其它人往祂那里去。

第十一章 联合上的带领

In the ministration of the growth truths, the one who shares must have a spiritual parent-heart of love and understanding. Such leadership has the Spirit-fostered yearning of Paul, "My little children, of whom I travail in birth again until Christ be formed in you" (Gal. 4:19).

Pastors are like all others when it comes to spiritual development, since our Father is no respecter of persons. There has to be preparation of heart by the Holy Spirit prior to any realistic apprehension of the Christ-life. The fact of the pastor's theological training makes little or no difference in this growth realm, for even if our sound seminaries clearly taught the identification truths the Spirit rarely reveals these by formal academic means. Moreover, the student-stage is usually somewhat premature for the necessary needs and realizations to be generated in the life.

It is a lamentable fact that the majority of our sound pastors never become really interested in these positional doctrines, nor aware of their indispensable nature. They

在传讲成长的真理上，分享的人必须有爱和理解属灵为父的心。这样的带领有着如保罗被圣灵促使的渴望：「我小子啊，我为你们再受生产之苦，直等到基督成形在你们心里。」（加4:19）

在属灵的发展上，牧者跟所有人一样。因为我们的天父不看人情面。先要有圣灵为心灵预备，才有任何实在对基督生命的领受。牧者的神学训练事实上在这成长的范畴上少有甚或没有分别，因为甚或我们得蒙精辟和清晰教导的真理上，圣灵很少会藉形式的学术手段来彰显这些。更且，在生命中所产生所需和明了上，学生阶段常有点不成熟。

可悲的事实是，我们大部分的稳妥牧者从未真的在这些地位教义上感兴趣，也不觉知他们必不可少的素质。他们为基

faithfully preach the gospel and general teachings for the Christian life. They present more or less “the whole counsel of God”—with the exception of the very truths that make all the difference in the life and service of the Christian.

Awakening

On the other hand, it is heartening to note that in the midst of this needy situation the Holy Spirit is quietly awakening the minds and hearts of an increasing number of shepherds. To this end He is using deeper life conferences and literature, as well as some true-to-the-Word tape ministries.

Pastor

When the pastor's presentation is premature, there is the tendency to preach instead of to share. He may resort to exhortation and pressure to compensate for his failure to prepare hearts. This is also a chronic conference problem: the content is Calvinistic (sound), but the application is Arminian (pressure).

信徒的生命忠实地传讲福音和一般性的教训。他们或多或少呈现的是「神的整体忠告」，欠缺了能使基督徒在生命和事奉上截然不同的那些真理。

觉醒

另一方面，注意到在这缺乏的情况下圣灵静静地苏醒越发多牧者的思想和心灵是令人鼓舞的。为了这个目的，祂正用进深生命的聚会和著作，也用上一些合乎圣经的讲道录音。

牧者

当牧者的陈述不成熟时，常有的情况便是传讲而不是分享。他也许诉诸于告诫和施压来抵销他预备心灵上的失败。这也是大会长期以来的问题：内容是加尔文主义（之声），应用上却是阿民主义（的压力）。

What if the Holy Spirit were to enlighten even a dozen of the congregation? It is one thing to see believers awakened, and quite another to be able to establish them on the path to maturity. The Lord gives just a few at a time, so that each may be given the required care to enable him to begin to grow.

Congregation

Rarely is there more than a handful at any time who are ready to hear the message of crucifixion with Christ. Were the eager pastor to stand up on the Lord's Day and unburden his heart concerning the need for the Cross in the life of the believer, he would perceive but a flickering spark here and there midst a glassy sea of eyes. There has been faithful preaching and the church is composed of believers who love the Lord, yet they are in no way prepared for death to self, to say nothing of the Christ-life.

As for the enthusiastic pastor's initial attempts at apprising his fellow-ministers of his newly found treasure, we will refrain from

圣灵要光照会众中的十二人又如何？得见信徒觉醒是一回事，能建立他们来走上成熟之路又是另一回事。主每时只给与少数的人，因此每人所得的适切关顾足以叫他开始成长。

会众

预备好来听取与基督同钉之信息的人每次少有多于一手可数的。热心的牧者在主日站起来，推心置腹讲到信徒生命上对十字架的需要，他会察觉到在如玻璃海的眼目中，只有分散的零星闪光。一直有着忠心的传讲，教会中也有着爱主的信徒，然而他们绝未预备好来死己，更不用说基督的生命了。

那些热心的牧者开初试图来将他新近发现的珍宝知会他的同工时，他会避免提到这里所说

mentioning the results here. The average awakened leader has been trained and has pastored for some fifteen or twenty years, therefore he should understand the necessity of quietly waiting upon the Lord for a further period in preparation for this deeper ministry. Although there will be some unlearning involved, none of the former experience need be looked upon as wasted; all fits into the underlying foundation.

“O my God, I trust in thee; let me not be ashamed ... Yea, let none that wait on thee be ashamed. ... Show me thy ways, O Lord; teach me thy paths. Lead me in thy truth, and teach me” (Ps. 25:2-5).

Chapter 12 The Silent Minority

The Holy Spirit has ever carried out the eternal purposes of the Father through His little flock. The nature of that flock is Lamb-like; dependent, humble, silent. Only when they are sufficiently prepared will the Spirit give them freedom to speak; only those whom He has

的结果。觉醒的带领者一般都受过训练，牧会有十五至二十年之久，因此他该明白到静候主一段时间来为这进深职事作预备是必须的。虽则其中必然有所遗忘，但先前的经历没有一样是该看为浪费的，全都铺砌那底层的根基。

「我的神啊，我素来倚靠祢，求祢不要叫我羞愧……凡等候祢的必不羞愧。耶和华啊，求祢将祢的道指示我，将祢的路教训我！求祢以祢的真理引导我，教训我。」（诗 25:2-5）

第十二章 沉默的少数

圣灵从来都是藉着祂的小群来执行天父之永恒旨意的。这小群的素质像羔羊，倚靠、谦卑和安静。惟有当他们充分准备好时，圣灵才会给他们说话的自由。惟有那些受祂制约的人才得着他们

conditioned can receive what they have to share.

Much as the Lord has used spiritual conferences, they are by no means His be-all or end-all for deeper life teaching. Especially in recent years, the Holy Spirit has been awakening and preparing leadership for small study groups throughout of the Body of Christ. These are known as Bible studies, deeper life studies, growth groups, etc. Some are held in sound churches, many in Christian homes. Some are led by awakened pastors, but most by lay people. In these days, however, there are other types of groups that should be avoided. Let us briefly examine some of them.

Dangerous

The hungry-hearted believer should at all costs avoid any type of secular or “Christian” sensitivity training group, including those called prayer therapy.

The U. S. Congressional Record of March 11, 1969, states: “Group criticism compels the participant to bare his soul before ten or fifteen

要分享的。

主一直大大使用属灵的大会，他们一点也不寻求进深生命之教训的一切和终极。尤其在近年，圣灵一直苏醒和装备领袖来在基督的肢体中作小组研究。这些被称为研经班、进深生命研习、成长小组等。有一些是在稳当教会中进行，也多在基督徒家中的。有些是由苏醒的牧者带领，但大都是普通信徒。今时却有其它类型的小组需提防。让我们简略地检视其中的一些。

危险

心灵饥渴的信徒该付上一切代价避免任何类型世俗或「基督教」的灵敏度训练小组，包括那些称为祷告治疗的。

1969年3月11日的《美国国会记录》中说到：「群组的批评强逼参加者在十至十五人面前来

other persons who are required to do likewise under the direction of a group leader. The individual is pressed to seek out real or fancied shortcomings in his personality and thinking, to humbler himself and give up his independence of mind and judgment, to make himself dependent upon the good opinion of the leader and others in the group. The individual's 'problems' become group property."

This is being reflected in the "Christian" groups by uninhibited "honesty" and confession, with the molding of one's beliefs to the prevailing low level. If there were a high spiritual level, the group would not exist. They are of necessity self-centered and emotionally motivated—never Spirit-controlled and Christ-centered.

Care must be taken to avoid study groups that are affiliated with or mainly composed of those from modernist, holiness, or cultist churches. Such groups engage in sharing, confession, testimonies, non-doctrinal discussion, cult study, or tongues and healing. These gatherings put self first, not Christ.

清空他们的心灵，他们在组长的指示下都被要求作相同的事。人人被逼来寻求个人人格和思想中真正或想象出来的缺点，谦卑自己，放弃倚靠思想和决断，叫自己倚靠领袖和组员的好提议。个别的问题成为组产。」

在基督徒的群组中这被反映为不受约束的「诚实」和承认，将人的信仰模成主流的低层次。若存在有高的属灵层次，群组便不复存在。他们必须是以自我为中心的，情绪主导的，永远不会是以圣灵和以基督为中心的。

必须格外小心避免那些主要与现代主义、圣洁或狂热崇拜者教会有密切连系或组成的研习小组。这些小组参与分享、承认、见证、非教义性的讨论、狂热崇拜研究，或方言和医治，都以己而不是基督为先。

Secondary

Some Bible study meetings are comparatively large. They often utilize quite sound literature, but may be led and attended by those who are more or less ecumenical and worldly. The level is far too low for those who would *abide above*.

There are also many true-to-the-Word Bible studies that are capably led and attended by hungry hearts. For the most part, general Bible teaching is given having little or nothing to do with the deeper truths. Such studies are valuable as far as they go, even to the laying of a good foundation for spiritual growth.

Compromising

On a large scale there are numerous Christian organizations and churches seeking to minister according to the theory of accommodation. Their method is to descend to the level of those whom they attempt to reach to gain rapport and thus a response.

This is a costly procedure. In utilizing the world's methods,

次等

有一些研经聚会是相对大型的。他们常用上颇好的著作，却由那些或多或少教派联合和属世之人带领和参与的。程度远远低于那些要高居天上的人。

也会有很多是忠于圣经的研经班是有饥渴心灵之人带领和参加的。大部分提供的普遍圣经教训少有甚或没有进深的真理。这样的研经怎样说都是有价值的，在属灵成长上也算立了好的根基。

妥协

有不少的基督徒组织和教会大量地试图根据和解的理论来讲道。他们的方法降至试图达至得着和谐而有所响应的水平。

这做法是代价高的。用上世界的方法：音乐、

music, dress, speech, and attitudes, the Christian is inevitably pulled down to the world's level instead of drawing the worldling to a spiritual level. The price paid is infinitely too high for what little is gained.

Identification

In direct contrast to the foregoing, there is the small Bible study group designed for the purpose of presenting the identification truths as the basis for growth in the Lord Jesus Christ. The following thoughts are shared to help guide those who would lead and those who would be led in this type of gathering.

The purpose of the identification study group is to enable hearts to progress in the opposite direction—not down, but up. Not down to the world's sinful level, but up to Christ's glorious level, and that via the Cross. This is not a way of escape, but a full preparation for the world's dire needs. Our ministry to others must ever be from the standpoint of our being hid with Christ in God, and never from the standpoint of the

衣着、谈吐和态度，基督徒无可避免地被拉低至世界的水平，而不是将世俗拉至属灵的水平。所付出的代价肯定太高，而所得的着实少。

联合

与上述恰恰相反的是，有研经小组是为着呈现在主耶稣基督里之成长作为基础的联合真理这目的而存在的。以下所分享的思想是作为那些领导和那些在这类型聚集中被带领之人的指引。

研究联合真理之小组的目的是要促使心灵往相反方向走，不是向下，而是向上。不是往下来到世界的犯罪层面，而是藉十字架高升至基督的荣耀层面。这不是逃生之路，而是为着世界的极度需要而有的全面准备。我们对别人传讲必须站在我们与基督藏在神里头这立足点上，而永不是站在世界本身的立足点。

world itself. "We do not stand in the world bearing witness to Christ, we stand *in Christ* bearing witness to the world."

The group is comparatively silent because it is composed of those who are aware of their personal need for growth and maturity in the Lord Jesus. They do not attempt to share to any great extent until He has them prepared for the outreach of His choice. As always, the little flock is a silent minority; not superior to any, just humble and needy.

Leadership

When it comes to forming a group of this nature, whether the leadership be pastor or layman, it is best to gather a few hungry hearts in a church, parsonage, or Christian home affiliated with a sound church. Although the Bible is to be central, a textbook will help guide, such as Hopkins' *The Law of Liberty*, or the growth chapters in Conant's *Every-Member Evangelism*. We might even suggest *The Green Letters*.

It has been found best to meet

「我们不是站在世界来为基督作见证，我们却是站在在基督里的地位上向世界作见证。」

这小组是相对地文静的，因为组成的人察觉到他们在主耶稣里个人成长和成熟的需要。他们不会试图来多多分享，直至祂已装备他们来拓展祂的拣选。这小群一如既往是一沉默的小众，一点也不超然，只会是谦卑和缺乏的。

带领

当要组成这性质的小组时，无论带领的是牧者还是信徒，最好在教会、教区、或与健全教会相关的基督徒家庭中聚集几个饥渴的心灵。虽然圣经乃是中心，但一本引导的课本是有帮助的，例如 Hopkins 的《自由之律》，或是 Conant 的《福音主义的每个成员》中成长的篇章。我们甚至可选用《青葱书信》。

最好是每个月聚会

only once or twice a month. This gives the individual sufficient time to study thoroughly the assigned reading. And what is even more important, it gives the Holy Spirit time to work some of the truth studied down from the head to the heart and life by means of everyday experience.

The meetings should be continued just long enough to clarify the identification truths, and give an introduction to the best growth literature. In this way the individual will not become dependent either upon the leader or the group, and yet will be able to study further and go on with the Lord. The hungry heart will never give up, and those who learn the hard way are better prepared to properly teach others.

Solid Foundation

Sometimes it is necessary to divide a group, if it becomes obvious that all are not doctrinally prepared for identification. It is the responsibility of the leaders to make certain that each one is established in the foundation

一至两次。这给与每个人足够的时间来透彻地研读指定的文章。更重要的是，这给与圣灵时间来作成所研习的真理，透过每日的领受来自头脑下到心灵和生命。

聚会的时间该长到刚足够来弄清联合的真理，和足以明了那最好的成长读物。这样，每个人必不会倚靠带领的人或小组，却必定能够进深研究和与主继续同行。饥渴的心灵永不会放弃，那些走上艰难路途的人是更好装备来正确地教导别人的。

稳固的根基

有时需要重新分组，就在明显地所有人在教义上都未装备好来接受联合真理之时。带领者有责任来确定每一个人都是建基于教义的基础上，就是在主耶稣基督里的

doctrines, i.e., assurance, acceptance, and eternal security in the Lord Jesus Christ. Until this groundwork is sure, there can be no advance into the deeper growth truths. Harrison's *New Testament Living* and the writer's *The Principle of Position* are suitable for use with preparatory groups. The fatal temptation of both leaders and students is to want to hurry through the all-important basic teaching so that they can "get to the good part."

This is the Achilles heel of the conference movement, as well as of many deeper life groups: hungry hearts are being taught the growth truths without *first* being established in the birth truths. Unless this is rectified, the work is bound to come undone—the Holy Spirit will never build upon sand.

God's Term

In true identification study the Spirit will turn the heart and life away from the world and its ways, back to the finished work of the Cross. From there He turns the heart and life still further from the

确据、接纳和永远的护庇。除非有这确切的根基,否则不可能会在进深成长的真理上进步。Harrison 的《新约的生命》和本人的《地位的原则》都适合在预备组中使用。带领的和学员两者的致命试探都是想赶忙来越过全然重要的基本教训,为叫他们能得着最好的部分。

这是大会运动和众多进深生命小组的致命弱点,饥渴的心灵在没有先建基于得救真理下来教导成长的真理。除非这个得校正,否则这工作必然作不成,圣灵必不会在沙土上建造。

神的定规

在真正的联合真理的学习上,圣灵必会把心灵和生命转移离开世界和它的方法,归回十字架所成就的工夫。祂在那里叫心灵和生命更远离世

world and its self-centered methods, up to the risen Lord Jesus Christ.

It is not a matter of the believer conforming to the world to reach the worldling. The Lord Jesus came into this world, but He was never of it; it is the same with the Holy Spirit. As we abide in the Lord Jesus and walk in the Spirit, the same will be true of us. The Father offers His Son to the world as Savior, and to the believer as Life, on *His terms*! He has met all needs at the Cross, and this is the only place where all find their needs met.

Holy Spirit Conviction

It is mainly through Christ-centered and Cross-centered Christians that the Spirit convicts of “sin ... righteousness ... judgment” (John 16:9-11). Under true conviction of sin the stricken one will come to the Lord Jesus on His terms; all of his selfish demands and pet arguments will be instantly discarded. Now, nothing matters but that which God says in His Word. Nothing less is settled for by

界和它以己为中心的方法，高升至复活的主耶稣基督那里去。

这不是信徒切合世界来亲就世人的一回事。主耶稣进入这世界，但祂从不属世界，圣灵也一样。当我们住在主耶稣里并在圣灵中行走时，我们也一样。天父将祂的儿子给这世界作为救主，给信徒作为生命，都按祂的定规！祂叫一切的需要都在十字架那里得到满足，这也是所有人找到他们满足需要的唯一地方。

圣灵的责备

圣灵主要藉着以基督和十字架为中心的基督徒来责备「罪、义和审判」(约 16:9-11)。在真正的责备罪上，被责备的人必会按祂的要求来到主耶稣那里；他所有自私的要求和得意的争辩必然会立时丢弃。如今除了神在圣经中的话之外再无关重要了。在符合神条件的神旨意以外，没有能

the convicted heart than God's will, under God's conditions!

This is the disposition of the healthy convert and of the awakened believer who will make spiritual progress. As He did with Paul, the risen Lord has stopped them in their tracks, and their submissive response is, "Lord, what wilt thou have me to do?" (Acts 9:6). It takes far more than an accommodating approach to produce this heart attitude.

Resting in Him

Our life in this world is to be the expression of our growth in Christ and fellowship with Him in Glory. "If [since] ye were raised together with Christ, seek the things that are above, where Christ is, seated on the right hand of God. ... For ye died, and your life is hid with Christ in God" (Col. 3:1-3, ASV). Abide above, for the burden below!

Chapter 13 Psychic Healing

The Holy Spirit's ministry to the Christian (whether in sickness or in health) is to conform him to the

叫受责备的心灵稳妥的了！

健壮归信者和觉醒信徒的性情才会带来属灵的进步。正如保罗一样，复活的主在他们的路上阻止他们，他们降服的响应是：「主啊，祢要我们作甚么？」(徒 9:6)产生这个心态所需的时间远多于一个调停的方法。

在祂里头得安息

我们活在世上是要活出在基督里的成长和与在荣耀中的祂相交。「所以你们若真与基督一同复活，就当求在上面的事；那里有基督坐在神的右边.....因为你们已经死了，你们的生命与基督一同藏在神里面。」(西 3:1-3)为着下头的异象来高居天上吧！

第十三章 灵魂的医治

圣灵为(无论是生病还是健壮的)基督徒作的职事就是把他模成主耶

image of the Lord Jesus Christ, and that upon the foundation of his eternal security. No “healers” ever manipulate from that solid ground!

The modern “gifts” of tongues and healing have a common source. They are not of the Spirit, but of the flesh, and function primarily in the realm of the nervous system.

Whether carried on at a somber cathedral altar, on a spectacular TV program, or in a wild tent meeting, there is no basic difference. None but the psychosomatic condition is affected by healers. Now and then some sufferers may be relieved of their neuro-induced symptoms, but actual healing or organic sickness never occurs by such means.

Doctrine

The basic claim of the healing movement is that healing is included in the Atonement, that it is not God’s will for Christians to be sick, but that all should be in perfect health. This premise has been based on Isaiah 53:4-6: “Surely he hath borne our griefs, and carried our sorrows; yet we did

稣基督的模样，就是他永恒确据的根基所在。从来没有「医治者」能改动这坚固的根基。

现代的方言和医治的「恩赐」都有着一个共同的源头，不是出于圣灵，而是出于肉体，主要在神经系统中运作。

无论是在严肃的大教堂祭坛、特备电视节目、或在野外扎营聚会中举行，基本上没有分别。影响听众的不过是其身心的状况。偶尔有神经引致的病痛也许得着舒缓，但实在的医治或器官上的病病的缓解从没因这样的手段而发生。

教义

主要宣称的医治活动是包含在赎罪中的医治，说到神的旨意不是叫基督徒患病，乃是叫他们有完美的健康。这假设是基于「祂诚然**担当**我们的忧患，背负我们的痛苦；我们却以为祂受责罚，被神击打苦待了。那知祂为

esteem hi stricken, smitten of God, and afflicted. But he was wounded for our transgressions, he was bruised for our iniquities; the chastisement for our peace was upon him, and with his stripes we are healed ... the Lord hath laid on him the iniquity of us all.”

The word “borne” refers to our Lord’s life-identification with our earthly griefs and sorrows. The words “with his stripes we are healed” set forth the result of our Lord’s death-identification with our iniquities. He shared with us the former in His life on earth, but He was made to be the latter in His death on the Cross.

“In the book, *If You Need Healing Do These Things*, the author says, ‘Healing is in the Atonement, therefore it includes all. ‘This error would be avoided if people had a fair knowledge of dispensational truth, and would remember that the removal of the entire curse placed upon the human family is in the Atonement. But we have not received all that was wrought out for us in the Atonement. We are still ‘waiting for the adoption, to

我们的过犯受害，为我们的罪孽压伤。因祂受的刑罚，我们得平安；因祂受的鞭伤，我们得医治……耶和华使我们众人的罪孽都归在祂身上。」(赛 53:4-6)

「担当」一词指着我们的主在生命上与我们的忧患和痛苦联合。「因祂受的鞭伤，我们得医治」陈明我们主在我们过犯上有死的联合结果。祂与我们分享祂在地上生命的前部分，但祂在十字架上的死作成了之后的部分。

B. F. Cathe 说到在《你若需医治便要作这些事》一书中，作者说到医治是在救赎中的，因此它包括一切。人们在赦罪的真理上若有相当的认识，且谨记落在人类的整个咒诅得除掉是在于救赎，那么这错误便得以避免。但我们并未得着为我们在救赎中所作成的。我们仍「等候得着儿子的名分，乃是我们的身体得

wit, the redemption of our body' (Rom. 8:23).”—*B. F. Cathe.*

“God can, and does, heal today, but not always. He is not committed to a covenant promise today, but is perfectly free to exercise a proper discrimination regarding the spiritual advisability of doing so where His people are concerned. No believer who has a history with the Lord will deny that He has used physical weakness and sickness as a means to develop the graces of the Holy Spirit and a spiritual dependence upon the power of God.

“At the same time there are many who have prayed earnestly for deliverance and have received it. In both cases the Lord works on the principle of the highest benefit to the believer, which is his or her spiritual life and growth.”—*C. H. Maskery.*

Concerning God's principle of the highest benefit to the believer: “Hudson Taylor once told me that his greatest spiritual blessings had come to him in connection with his various sicknesses; and later he made the remarkable statement to

赎。」(罗 8:23)

C. H. Maskery 说：
「神能，神也会在今天医治，但不常作。祂今天没有契约上的应许要承担，但在关乎到祂子民的属灵医治上祂却是有着完全的自由来作出一个属灵提点上的彻底识别。与主有经历的信徒不会否认祂曾用上身体的软弱和病痛作为形成圣灵恩典和对神能力的属灵倚靠上的手段。」

他且说：「同时有多人热切地为得释放而祷告，且蒙垂听。两种情况主都是以信徒的最大利益为依归，为叫他或她在属灵生命上成长。」

Henry Frost 说到：
「论到神叫信徒得最大益处的原则上，戴德生有一次跟他说到他各式各样病痛与他最大的属灵恩福的关系。后来他作出一句触目的句子：与中

me that all of the most important advance movements which had taken place in connection with the China Inland Mission, including its inception, had come as a direct result of some physical breakdown through which he had been called to pass.”—*Henry Frost*.

Chapter 14 Tongues Trauma

True spiritual growth is free, but not cheap; it is gradual, deep and thorough, never sudden or shallow; always Christ-centered, never self-centered. The Holy Spirit upholds and transmits God's highest. Stoop not!

In all of our failure the Spirit has but one purpose, God's purpose. He faithfully unmask the self-life in order to reveal the scriptural remedy for it—our identification with Christ in His death unto sin (Rom. 6:6). Then the heart becomes energized for the life that is Christ, the abiding as a branch in the Heavenly Vine. The believer begins to see that he needs to settle down and, in dependence upon the Holy Spirit, “grow up into

国内地会有关，所有发生的重要前进活动，包括它的萌芽，都直接与一些他要经历的身体衰败有关。」

第十四章 方言的创伤

真正的属灵成长是白白的，并不平宜；是逐渐、深沉和透彻的，永不突然或肤浅；总以基督为中心，永不会以自我为中心。圣灵总是高举和传扬神的至高。不要自贬！

在我们所有的失败上，圣灵只有一个旨意，就是神的旨意。祂信实地揭露己的生命，为要揭示那属灵的补救——我们在基督向罪死上与祂联合（罗 6:6）。那么这心灵变得为着是基督的生命而充满活力，像枝子住在葡萄树上。信徒开始得见 he 需要安顿下来，信靠圣灵，「凡事长进，连于元首基督。」（弗 4:15）

him in all things ... even Christ” (Eph. 4:15).

Self-betrayal

But often because of extended defeat, darkness, depression, and despair, some are unwilling to go upward for God’s very best at the Spirit’s measured pace within the bounds of the Word of God. They want victory at once; they demand power now! And, as always, there are those pressing in who are ready to promise self what it wants, when it wants it.

These aggressive ones insist that what the hungry-hearted believer has missed in “the baptism of the Holy Ghost”; that he must seek the Holy Ghost and receive Him for power; that he must tarry for his Pentecost and speak in tongues as in the Apostolic days. In some there is a response to this temptation to take a possible shortcut as a quick and easy way to “get the blessing.” Now it has become the blessing, rather than the Blessor—tragic evidence of the continued reign of self.

自我背叛

因着长时间的失败、黑暗、挫折和失望、有人不愿意在神圣经的规范下来追随圣灵的步伐，为着神最好的东西来往上行。他们想立时的胜利，他们如今便想得能力！同时总有人在催促，他们早已预备来对己所想要的东西和何时想要的东西作出承诺。

这些进取的人坚持说有饥渴心灵的信徒一直错过了「圣灵的浸」，他须寻求圣灵和得着作为能力的祂；他必须等待他的五旬节，并如同使徒时代般来说方言。有人对这试探有所响应，采取快捷方式来得着快捷和方便的「得着恩福」。如今所得的是恩福，而不是恩主，而已持续的管治就是悲惨的明证。

Self-centeredness

The Holy Spirit raises us to the level of the Lord Jesus Christ in Glory, but self ever lowers us to its natural level of error. Because of self-centeredness, there is a response, an anticipation generated in the heart by means of the endless testimonies presented by these people—tall and tantalizing tales of “signs and wonders,” “baptism of power,” “dramatic healing,” “multitudes saved and sanctified,” “abundant financial blessings.” On and on it goes.

As the eagerness intensifies, the desperate desire for the blessing increases. Before long the unsuspecting one is taken to a church service which is followed by a stay at the altar. Or he may be invited to a motel or hotel dining room for a dinner meeting to hear some “great and powerful” leader in the movement tell startling stories. Included are impressive success testimonies by businessmen, along with the singing of many choruses. After the meeting the individual or couple will be invited to gather with a few

自我中心

圣灵把我们高举至荣耀中之主耶稣荣耀的层面，但已总是把我们降至其错误的天然层面。因着自我为中心而有所响应，因着无数之人高超和诱惑人的「神迹奇事」、「权能的浸」、「戏剧性的医治」、「多人得救和成圣」、「财务上丰盛的恩福」等见证产生心中的预期，一直在进行。

当越发热切时，极度渴望得恩福便越发增加。不多久这毫不怀疑的人被领到教会的聚会，来到祭坛前。又或者他被邀请来到一间汽车旅馆或酒店的宴会厅，在一个晚宴上听取一些「伟大和权能」运动的带领者在述说一些惊人故事。内中包括商人们吸引人的成功见证，夹杂着很多献唱。聚会后参与的个人或男女会在另一房间与人共聚。

others in another room.

Or he may find himself in a small home gathering where there are Bible discussion (mainly from certain sections of the Book of Acts), testimonies, singing, and possibly some speaking in tongues. Regardless of the setting, these meetings follow a common pattern in order to gain a common end—the bitter end.

The believer becomes ever more vulnerable. He is determined to get the blessing, he wants it now, and he is afraid to resist the claims and promises extolled because he doesn't want to "resist the Spirit," or miss anything that God might have for him. What little scriptural support he is given for the so-called "baptism of the Holy Ghost" is always out of context and in complete disregard for the clear dispensational distinctions of the Word.

By now, anticipation has overcome reason. It is no longer (if it ever was) a matter of "rightly dividing the word of truth" (2 Tim. 2:15). "For the time will come when they will not endure sound

他也许发现身在一细小研经的房间，主要是查考使徒行传的某几段，有见证、唱诗，也许有人说方言。无论场景如何，这些聚会都依循一共的模式，为的是来到一个共通的结局，一个苦痛的结局。

那信徒变得比从来更脆弱。他决意要得恩福，他如今便想要，他害怕来抗拒所赞美的宣称和应许，因为他不想抗拒圣灵，或错过一些神会给他的任何东西。给与他的「圣灵的浸」有的是那么少的圣经支持，总是断章取义和完全脱离圣经的清晰神旨特质。

至此，预期胜过了理性。不再是(若曾有的话)「按着正意分解真理的道」(提后 2:15)的这回事。「因为时候要到，人必厌烦纯正的道理.....并

doctrine ... and they shall turn away their ears from the truth, and shall be turned unto fables” (2 Tim. 4:3, 4). The deflected Christian is pressing, praying, and pleading for the Holy Spirit to do something that He has already done; to do something extra that He *cannot* and will not do.

The seeker is confused, but “God is not the author of confusion” (1 Cor. 14:33). He is now pursuing an emotional experience. He may receive such, but it will not be of the Holy Spirit! The ministry of the Spirit is within the scope of the “rightly divided” Word, and centered in the risen Lord Jesus Christ. It is never otherwise, and never less.

In the after-meeting the emotion-charged seeker is awaiting the blessing that is purported to make everything right, that will bring in “the Holy Ghost and tongues” to set him apart as one of the spiritual elite, entirely sanctified.

Self-expression

Finally, the moment of

且掩耳不听真道，偏向荒渺的言语。」(提后 4:3-4) 偏离的基督徒决意，祈求和乞求圣灵来作一些祂已作的东西，来作一些祂不能和不会作的额外东西。

寻求者混乱了，但「神不是叫人混乱」的(林前 14:33) 如今他正追求情感的经历。也许他会得着，但必定不是圣灵！圣灵的职事在「正意分解」圣经的范畴内，并以复活的主耶稣基督为中心。永不是别的，永不会低于这个。

在会后相聚中，那由情绪主导的寻求者等候那主旨是使万事归正的恩福，必会引来圣灵和方言，使他完全分别为圣，成为一个属灵上的精英。

自我表述

最后，那紧要的一刻

moments arrives. On his knees with others closely gathered around, all cry out to “Jesus” (rarely is He given His title of “Lord”) and plead with the “Holy Ghost” to come, enter, and bestow the blessing. Hands are laid upon him, with rubbing and pressure applied to head and limbs. He is admonished to relax, to let his mind go blank, to loosen his tongue and let the Spirit take over.

来临，他与其它与会者紧密地跪下，口呼「耶稣」（少有称祂为「主」的），乞求圣灵的来到，进入和施下恩福。众手放在他身上，擦弄和按压落在他头和四肢。他被敦促来放松，叫意志倒空，释放他的舌头，让圣灵来接管。

《高居天上》

血确保我们罪的得赦，而十字架确保我这罪人的得释放。我们的天父领我们低见己生命的揭露，之后藉揭示的基督生命来把我们升高。阻碍己和它犯罪之工是圣灵的工作，祂也培育那新生命和其果子。

属灵成长的关键是十字架。死的根基是在那儿建立的，基督徒由此有分于主耶稣基督的复活生命。没有带来死的十字架便没有带来生命的基督。圣灵的充满和管治是重要的，但祂不会充满新的生命，除非那旧生命已被牢牢安放在十字架的死地。得圣灵充满无需任何条件。强调要符合条件是出于在不能提供不需要之条件的真理下来建立信徒。在别人断定要降服之处，圣灵在其上放置十字架。被圣灵充满，以基督为中心的仆人意识到的不是能力，而是软弱。被神之灵引导的人是卑贱和被人看不起的，「使一切有血气的，在神面前一个也不能自夸。」(林前 1:29)

本书也论到圣约加尔文主义的违背圣经，和英国开西大会不足之处。

第十章中举荐多本分量充足的属灵书。第十二章则举荐一些适合研究联合真理的书籍。

本书本后也按圣经真理来看神迹医治和方言。
